1. COLLOCATION TERMS

- 1.1 SBC MISSOURI shall provide, and MCI agrees to purchase, Collocation in accordance with the requirements of the version of SBC MISSOURI's Local Access Tariff P.S.C. MO. No. 42, Section 2, Physical Collocation and SBC MISSOURI's Local Access Tariff P.S.C. MO. No. 42, Section 3, Virtual Collocation.
- 1.2 Any changes to the Tariff made by SBC MISSOURI and filed with the Commission shall affect the terms, conditions and prices of this Appendix Collocation at the same time Tariff changes are made effective for all CLECs operating from the tariff in MISSOURI, without the need of written Amendment.

2. INTENTIONALLY OMITTED

3. METERED POWER

- 3.1 Charges for power will be assessed per ampere per month, based upon the actual amperes used, at the rates set forth in Appendix Pricing. When obtaining power from an SBC MISSOURI battery distribution fuse bay, fuses and power cables (A&B) must be engineered (sized), and installed by MCI's certified vendor at MCI's expense.
