CASE NO. EM-2000-369

NOTICE-DISCLOSURE REGARDING INTERVENOR

On January 12, 2000, the International Brotherhood of Electrical Workers (IBEW) Local Union No. 1474 filed an application to intervene. That application was later granted by the judge to whom this case is assigned. When this matter came to hearing, on September 11, and IBEW Local Union No. 1474 entered their appearance, it occurred to me that my son is a member of IBEW 1 in St. Louis, Missouri. However, IBEW is comprised of many different Locals. My son is a member of the Local 1 and that is not the same unit which appeared at the hearing. However remote the working relationship might be between my son's position and the intervenor, I have decided that, out of an abundance of caution, I should advise the parties of this information.
