Service Area of the Company.)

CASE NO. WR-97-563

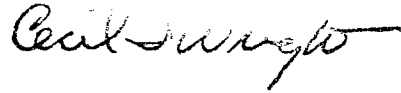

NOTICE OF CORRECTION

The order issued on August 27, 1997, in this case inadvertently referred to a requested increase in the "quarterly" water rate in line six of page one. The order should have stated a "monthly" water rate increase, and that order is hereby corrected to show a requested increase in the "monthly" water rate.

The order issued on August 27 also inadvertently omitted the approval of the small company depreciation rates developed by the Depreciation Department for small water and sewer companies, that have been filed in the case papers and used by Staff in calculating the revenue requirement in this case. The order is hereby corrected to add in ordered

paragraph 1: "The depreciation rates filed by the Staff of the Commission in this case are approved for Gladlo Water & Sewer Company."
