In the Matter of the Application of Union                     )  
Electric Company, d/b/a AmerenUE, for                     ) Case No. EA-2000-37  
Approval of the Transfer of Generating                     )  
Assets by an Affiliate to Another Affiliate.               )

**ORDER GRANTING EXTENSION OF TIME**

On July 21, 1999, Union Electric Company, doing business as AmerenUE (UE), filed its application for findings by the Commission under 15 U.S.C. § 79z-5a(c), the Public Utilities Holding Company Act (PUHCA), relating to Exempt Wholesale Generators. UE seeks these findings in connection with a proposed restructuring of its Illinois-based affiliate, AmerenCIPS. According to UE's application, that restructuring proposes the transfer of all generating assets currently owned by AmerenCIPS, and associated liabilities, to a new affiliate to be known as Genco. UE asserts that all of the generating assets involved are located in Illinois and none are located in Missouri. UE has requested that the Commission make these findings within 90 days of the date of filing.

On September 20, 1999, a prehearing conference was held in this matter. Thereafter, on September 23, 1999, the Staff of the Missouri Public Service Commission on behalf of all the parties filed a proposed procedural schedule, which the Commission adopted by Order issued on September 27, 1999. That Order requires UE to file its Direct Testimony on or before October 4, 1999. Instead, UE has filed

its request for an extension of time up to and including October 11, 1999. UE asserts that it has consulted with the other parties and that none of them objects to the granting of the requested extension.

**IT IS THEREFORE ORDERED:**

1. That Union Electric Company, doing business as AmerenUE, may file its Direct Testimony herein on or before October 11, 1999. The Procedural Schedule previously adopted herein shall, in all other respects, remain in force pending the further order of this Commission.

2. That this order shall become effective on October 5, 1999.
