

**AFFIDAVIT OF Tim Schure**

STATE OF MISSOURI     )  
   ) ss  
 COUNTY OF SALINE     )

Tim Schure, being first duly sworn on his oath, states:

1. My name is Tim Schure. I am the <sup>PLANT</sup>MANAGER of Missouri Valley College ("MVC").  
 My business address is 500 East College, Marshall, MO 65340.

2. MVC has requested Marshal Municipal Utilities ("MMU") to provide electric service to MVC's new horse arena (the "new structure"). I understand that MMU has facilities that are close to this new structure and can serve the new structure will less additional cost. I also understand that MMU can provide electric service to the new structure by way of an Amendment to the Territorial Agreement between MMU and Central Missouri Electric Cooperative, Inc. (CMEC").

3. I acknowledge that MMU can provide service to the new structure only by an Amendment to a Territorial Agreement, because such service would be an exception to the Territorial Agreement boundaries, which were agreed to by MMU and CMEC and approved by the Missouri Public service Commission. I also acknowledge that this Amendment would require consent of all parties and approval of the Missouri Public Service Commission.

4. MVC desires and consents to having MMU provide electric service to its new structure. I also understand that MMU and CMEC consent to this service arrangement and have agreed to prepare a Territorial Agreement Amendment to accomplish this.

5. MVC desires and requests that the Missouri Public Service Commission approve the Territorial Agreement Amendment as soon as possible.
