Re: Timber Creek Sewer Company

Dear Sir:

As you may be aware, Timber Creek Sewer Company (Timber Creek) has filed an application with the Missouri Public Service Commission (Commission) seeking Commission authority and a certificate of convenience and necessity (CCN) to construct, own, operate, maintain and manage a sewer system in Clay County. The requested CCN would allow Timber Creek to provide sewer service to the development known as Oak Ridge Subdivision near Kearney, Missouri.

Persons seeking to intervene and participate in this case must file an application to do so no later than **August 1, 2018**, with the Secretary of the Missouri Public Service Commission, P.O. Box 360, Jefferson City, Missouri 65102-0360, or by using the Commission's Electronic Filing and Information System (EFIS) at www.psc.mo.gov.

Comments may be provided by contacting either the Office of the Public Counsel (Governor Office Building, 200 Madison Street, Suite 650, P.O. Box 2230, Jefferson City, Missouri 65102-2230, telephone (866) 922-2959, e-mail opcservice@ded.mo.gov) or the Public Service Commission Staff (P.O. Box 360, Jefferson City, Missouri 65102, telephone 1-800-392-4211, e-mail pscinfo@psc.mo.gov). The Office of the Public Counsel is a separate state agency that represents the general public in matters before the Commission.

If you have any questions, please feel free to contact me directly.

Sincerely,

Kaleb Sherry
General Manager
