BCGI Communications Corp. (BCGI) filed an Application with the Missouri Public Service Commission (Commission) on December 30, 1999, for a certificate of service authority to provide intrastate interexchange telecommunications services.

Commission Rule 4 CSR 240-2.060(1)(B) requires all applications to the Commission to include a "...brief statement of the character of [the] business performed by [the] applicant." BCGI did not include a brief statement of the character of the business performed by BCGI in its application as required by Commission Rule 4 CSR 240-2.060(1)(B).

The Commission cannot proceed with this case until BCGI complies with the Commission's rules, either by amending its application to include a brief statement of the character of the business performed by

BCGI or by filing a separate pleading which includes a brief statement of the character of the business performed by BCGI.
