BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Application of U.S.)
TelePacific Corp. d/b/a TelePacific)
Communications for a Certificate of Service) **Case No. TA-2000-731**
Authority to Provide Interexchange) **Tariff No. 200001012**
Telecommunications Services

ORDER APPROVING INTEREXCHANGE CERTIFICATE OF SERVICE AUTHORITY
AND ORDER APPROVING TARIFF

U.S. TelePacific Corp. d/b/a TelePacific Communications (TelePacific) applied to the Public Service Commission on May 4, 2000, for a certificate of service authority to provide intrastate interexchange telecommunications services in Missouri under Section 392.440, RSMo 1994¹. TelePacific asked the Commission to classify it as a competitive company and waive certain statutes and rules as authorized by Sections 392.361 and 392.420. TelePacific is a California corporation, with its principal office located at 515 S. Flower Street, 49th Floor, Los Angeles, California 90071.

The Commission issued a Notice of Applications for Intrastate Certificates of Service Authority and Opportunity to Intervene on May 9, 2000, directing parties wishing to intervene to file their requests by May 24, 2000. The requirement for a hearing is met when the opportunity for hearing has been provided and no proper party has requested the opportunity to present evidence. State ex rel.

Rex Deffenderfer Enterprises, Inc. v. Public Service Commission,
776 S.W.2d 494, 496 (Mo. App. 1989). Since no one has asked
permission to intervene or requested a hearing, the Commission may
grant the relief requested based on the application.

TelePacific filed a proposed tariff in conjunction with its
application and filed substitute sheets on June 5, 2000. The tariff's
effective date is June 18, 2000. TelePacific's tariff describes the
rates, rules, and regulations it intends to use, identifies
TelePacific as a competitive company, and lists the waivers requested.
TelePacific intends to provide interexchange telecommunications
services including 1+, 800/888/877 Services, Directory Assistance,
Debit Card and Travel Card services.

In its Memorandum filed on June 7, 2000, the Staff of the
Commission (Staff) recommended that the Commission grant TelePacific a
certificate of service authority, competitive status, and waiver of
the statutes and rules listed in the Notice. Staff recommended that
the Commission approve the proposed tariff as amended to become
effective on June 18, 2000.

The Commission finds that competition in the intrastate
interexchange telecommunications market is in the public interest and
TelePacific should be granted a certificate of service authority. The
Commission finds that the services TelePacific proposes to offer are
competitive and TelePacific should be classified as a competitive
company. The Commission finds that waiving the statutes and
Commission rules set out in the ordered paragraph below is reasonable
and not detrimental to the public interest.

The Commission finds that TelePacific's proposed tariff details the services, equipment, and pricing it proposes to offer. The Commission finds that the proposed tariff filed on May 4, 2000 shall be approved as amended to become effective on June 18, 2000.

IT IS THEREFORE ORDERED:
