Memo to File:

Re: Proposed City of Bellefontaine Neighbors License Tax Ordinance

Phoned Kevin O'Keefe 9/21/95. Thanked him for the draft copy of ordinance, and said that we would like to comment in 3 areas:

Residential Told him our tariffs defined residential, that we could distinguish customers whom we had coded as residential, but that if the City adopted another definition, we would be unable to distinguish which of customers was residential. He replied that he may change the ordinance so that each utility could use their own definition of residential as may be in effect in their tariffs. I warned him that there were a number of customers who might consider their usage to be residential, and that they could be a source of complaint to the City and to the utility, under the two-rate structure.

Repeal of Previous Rate Told him that we might have a problem in the future if the City wanted to reimpose the 7.41% rate, because those sections of the ordinance would have been repealed. I said that one alternative adopted by a city was to suspend collection of the higher rate temporarily, until it was reimposed by the city. Otherwise a Hancock violation might occur, and the utilities would be forced to litigate the issue to avoid a tax/tax refund liability. He said he would revise the ordinance to "suspend".

Rate I told him my recollection was that the 7.41% rate was enacted to replace the previous 8.0% rate (which equated to an effective rate of 8.69%) with the "nominal" rate which equated to an effective rate of 8.0%. Told him that the residential rate which would result in a 2% effective rate decrease was 5.66% which would yield a 6.0% effective rate, or 2% less than the effective rate previously in effect. He said they probably wouldn't deal with that, that the 5.41% rate would be the reduced rate.

I agreed to FAX him a copy of our residential tariff page.

BILL NO. 06-065

ORDINANCE NO. 267

AN ORDINANCE RENEWING AN EXISTING FRANCHISE AND GRANTING FOR A PERIOD OF TWENTY (20) YEARS TO LACLEDE GAS COMPANY, A MISSOURI CORPORATION, ITS SUCCESSORS AND ASSIGNS, THE RIGHT, PERMISSION AND AUTHORITY TO SET AND MAINTAIN ITS MAINS, SERVICE PIPES, CONDUITS, CONDUCTORS, TANKS, VAULTS, VAPORIZERS, REGULATORS AND OTHER FIXTURES, AND TO EXCAVATE FOR, INSTALL AND MAINTAIN THE NECESSARY EQUIPMENT FOR THE OPERATION AND MAINTENANCE OF A SYSTEM FOR THE TRANSMISSION, DISTRIBUTION, AND SALE OF GAS ALONG, ACROSS OR UNDER ANY OF THE PUBLIC ROADS, STREETS, ALLEYS OR PUBLIC PLACES WITHIN THE CITY OF COTTLEVILLE, MISSOURI, PRESCRIBING THE TERMS AND CONDITIONS OF SUCH GRANT, AND IMPOSING CERTAIN OBLIGATIONS UPON THE GRANTEE, ITS SUCCESSORS AND ASSIGNS, SUCCESSIVELY, IN CONNECTION THEREWITH.

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF COTTLEVILLE, MISSOURI, AS FOLLOWS:

Section 1. The franchise, right, permission and authority is hereby granted to and vested in Laclede Gas Company, a corporation of the State of Missouri (hereinafter sometimes called "Laclede"), its successors and assigns, to set and maintain its mains, service pipes, conduits, conductors, tanks, vaults, vaporizers, regulators and other fixtures, and to excavate for, install and maintain the necessary equipment for the operation and maintenance of a system for the transmission, distribution and sale of gas, along, across or under any of the public roads, streets, alleys or public places within the corporate limits of the City of Cottleville, Missouri, as now fixed or as hereafter extended (hereinafter sometimes called "City") for the purpose of transmitting, distributing and selling gas for light, heat, power and other purposes within the City of Cottleville, and for the purpose of transmitting gas through said City. The exercise of the rights, permission and authority hereby granted shall at all times be subject to proper regulation by the City in the exercise of its police powers, provided that Laclede has a certificate of public convenience and necessity from the Missouri Public Service Commission, for the purpose of supplying light, heat and power within and through the City. All fixtures installed and maintained pursuant to this Ordinance shall be so located on public roads, streets, alleys or public places under such supervision as the City may from time to time proscribe so as not to disturb or damage unnecessarily any pavement, sidewalks, drains, sewers, water mains, fiber optic cable, traffic signal equipment, or other like improvements, and Laclede shall repair the damage caused by such installation and maintenance to all pavement, sidewalks, drains, sewers, water mains, fiber optic cable, traffic signal equipment, or other like improvements in a good and workmanlike manner. All such work shall be done with due and reasonable dispatch and with the least practicable

interference with the rights of the public. All such facilities shall be installed and maintained with due regard to and the rightful use by other persons, vehicles or otherwise, of the public roads, streets, alleys and other public places.

Section 2. Extensions of, and additions to, the distribution system maintained by Laclede, its successors or assigns, in the City shall be made in accordance with the rules and regulations governing such extensions and additions by Laclede now on file with the Public Service Commission of Missouri or in accordance with such amended rules and regulations governing such extensions and additions by Laclede, its successors or assigns, as may hereafter become effective in the manner provided by law. Laclede shall provide gas to the inhabitants of the City in accordance with the rules and regulations on file with the Missouri Public Service Commission, as the same may be modified from time to time. The rates to be charged by Laclede for the transmission, distribution and sale of gas furnished hereunder shall be the lawful rates fixed or approved from time to time by the Missouri Public Service Commission, or any regulatory body that may succeed to the power of said Commission to fix rates within the City. All facilities of Laclede in the City shall be installed and maintained in accordance with the applicable rules and regulations of the Missouri Public Service Commission and the ordinances of the City.

Section 3. The rights, privileges and authority hereby granted shall inure to and be vested in Laclede, its successors and assigns, successively, subject to all of the terms, provisions and conditions herein contained, and each of the obligations hereby imposed upon Laclede shall devolve and be binding upon its successors and assigns, successively, in the same manner.

Section 4. As consideration for the rights and privileges conferred by this Ordinance:

(a) Laclede shall be obligated to pay, and by its acceptance of this Ordinance agrees to pay to the City a sum equal to five percent (5%) of Laclede's gross receipts from its business within the corporate limits of the City for each calendar month.

(b) Laclede shall pay to the City, on or before the last day of each calendar month during the term of this franchise, an amount equal to such percentage from customers within the City for the preceding calendar month.

(c) With each payment hereunder, Laclede shall file with the City's Clerk a sworn statement of the gross receipts for the applicable period and also a sworn statement of all payments made by it for such period on account of any of the taxes hereinafter enumerated in subparagraph (d). The term "gross receipts" means the aggregate amount of all sales and charges from the business of supplying gas or gas service made by Laclede in the City during any period less discounts, credits, refunds and uncollectible accounts; excepting, however, gross receipts derived from the furnishing of

such services to the City which shall not be included in gross receipts nor shall payment be due on such gross receipts.

(d) All payments made pursuant to the provisions of this Section 4 will be reduced by the total of payments made by Laclede for the applicable periods of time or portions thereof on account of any tax levied or imposed by the City upon the business of providing gas or gas service or upon the right or privilege of engaging in such business within the corporate limits of said City, whether said tax be designated as an occupation tax, a license tax, or otherwise; but not including a sales tax levied or imposed pursuant to ordinances of the City.

Section 5. No franchise, right, privilege or authority given or granted by this Ordinance shall become effective until there shall have been filed with the City Clerk of the City of Cottleville, Missouri, the written acceptance of this Ordinance by Laclede, in substantially the form attached hereto and marked as Exhibit A. Such acceptance shall be so filed within ninety (90) days from the final passage and approval of this Ordinance, and when so filed, shall, together with its operation by Laclede, its successors or assigns, under the terms of this Ordinance, constitute full consideration for the franchise rights, privileges and authority hereby granted; provided however, that if such acceptance be not so filed within said period of ninety (90) days, all rights, privileges, and authority herein granted shall become null and void. This ordinance, upon its enactment and subject to its acceptance by Laclede as hereinbefore provided, shall continue and remain in full force and effect for a period of twenty (20) years beginning September 5, 2006 and ending September 4, 2026.

Section 6. Neither acceptance of, nor compliance with, the provisions of this ordinance shall in any wise impair or affect, or constitute or be construed as a relinquishment or waiver of, any right, permission or authority that Laclede, its successors or assigns, may have independently of this ordinance; nor shall any use by Laclede, its successors or assigns, of public property or places in the City of Cottleville, as authorized by this ordinance, or service rendered by Laclede, its successors or assigns, in said City, be treated as use solely of the rights, permission and authority provided for by this ordinance or as service referable solely to this ordinance or to any obligation of service consequent upon acceptance thereof or as in any wise indicating non-use of, non-compliance with, any obligation incident to, any right, permission or authority vested in Laclede, its successors or assigns, independently of this ordinance; and the acceptance provided for in Section 5 of this ordinance, and each and every compliance with the provisions of this ordinance or with any obligation arising from acceptance thereof, shall be subject to, and conditioned by, the provisions of this Section 6, with the same force and effect as though each of the provisions of this section were expressly incorporated in such acceptance and expressly declared by the acceptor, its successors or assigns, at and prior to the time of such compliance by it, as conditions of such compliance.

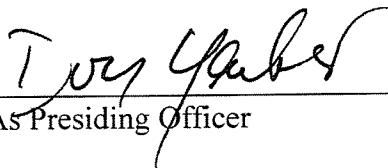

Section 7. This Ordinance shall be further subject to approval or disapproval of the voters of this City only upon the terms and conditions as provided in Mo. Rev. Stat. § 88.251 (2000). If the City Clerk does not receive within thirty (30) days after the passage of this Ordinance a petition sufficient in form and signed by the requisite number of voters, it shall be a valid and binding franchise of the City upon the filing of an acceptance by Laclede according to the terms prescribed herein and shall remain in full force and effect in accordance with the terms hereof.

Section 8. This ordinance shall not relieve Laclede of the obligation to comply with any ordinance now existing in the City or enacted in the future requiring Laclede to obtain written permits or other approval from the City prior to commencement of construction of facilities within the public roads, streets, alleys, or other public places thereof, except Laclede shall not be required to obtain permits or other approval from the City for the maintenance and repair of its facilities within its own easements.

Section 9. Nothing contained herein shall in any manner be deemed or construed to alter, modify, supersede, supplant or otherwise nullify any other Ordinance of the City or the requirements thereof whether or not relating to or in any manner connected with the subject matter hereof, unless expressly set forth herein.

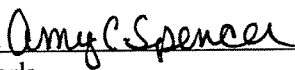

Section 10. If any term, condition, or provision of this Ordinance shall, to any extent, be held to be invalid or unenforceable, the remainder hereof shall be valid in all other respects and continue to be effective and each and every remaining provision hereof shall be valid and shall be enforced to the fullest extent permitted by law, it being the intent of the Board of Aldermen that it would have enacted this Ordinance without the invalid or unenforceable provisions. In the event of a subsequent change in applicable law so that the provision which had been held invalid is no longer invalid, said provision shall thereupon return to full force and effect without further action by the City and shall thereafter be binding.

STANDSTILL AGREEMENT

This Standstill Agreement (the "Agreement") made this 9th day of November, 2004 by and between the City of Creve Coeur, Missouri (the "City") and the Laclede Gas Company ("Laclede").

WHEREAS, the City has enacted Ordinance No. 2299 regarding an increase in the City's gross receipts tax rate from 4.5% to 6% as of October 1, 2004, for all gas or gas services provided within the limits of the City, as well as other utility services; and

WHEREAS, Laclede provides gas and gas services within the limits of the City and has commenced litigation regarding the lawfulness of Ordinance No. 2299, under Case No. 04CC-004288 in the Circuit Court of St. Louis County, Missouri (the "Litigation"); and

WHEREAS, the parties desire to resolve certain matters regarding the payment of taxes to the City by Laclede pending resolution of the Litigation;

NOW, THEREFORE, for good and valuable consideration including the mutual covenants herein, the parties agree as follows:

1. Effective October 1, 2004, Laclede will increase the local gross receipts tax line item charges on its bills to customers within the City to 6%.
2. Effective October 1, 2004, Laclede will continue to pay to the City 4.5% of gross receipts for all gas or gas services provided within the limits of the City. Further, Laclede will set aside an additional 1.5% of such gross receipts for potential payment to the City as provided herein (the "Set Aside Funds"). Laclede will separately account for the Set Aside Funds and interest shall accrue thereon at a rate of 2.1 percent per annum. Laclede will submit a monthly written statement to the City reporting the amount of gross receipts tax collected, the amount of gross receipts tax set aside for the current month, and the balance of Set Aside Funds accumulated to date.

3. In the event the Litigation is resolved in favor of Laclede, with a declaration that Ordinance No. 2299 did not lawfully increase the gross receipts tax rate, Laclede will not be obligated to pay the Set Aside Funds to the City and will instead make an appropriate refund to its customers in a timely manner .

4. In the event the Litigation is resolved in favor of the City, with a declaration that Ordinance No. 2299 did lawfully increase the gross receipts tax rate, Laclede will thereafter pay taxes to the City at the higher rate and will pay the Set Aside Funds to the City together with all interest accrued thereon within 30 days.

5. Laclede agrees that any claim by the City for payment of the Set Aside Funds shall not be subject to any statute of limitations concerning municipal taxes, but rather shall only be subject to the applicable statute of limitations regarding a purported breach of this written contract.

6. The City agrees that Laclede shall not be subject to any penalty for late payment of taxes regarding the Set Aside Funds for the period of time from October 1, 2004 through the 30th day following resolution of the Litigation.

7. This Agreement and conduct pursuant to its terms shall not be construed as waiving any rights of the City or Laclede as to positions they may take in the Litigation or otherwise, except as expressly stated in paragraphs 5 and 6.

8. Neither party shall grant any security interest or otherwise create a lien, encumbrance, or other third party claim against the Set Aside Funds .

9. The parties agree that Laclede's obligations to pay the Set Aside Funds to the City hereunder shall remain tax obligations for purposes of establishing any priority of the City's claim thereto in any bankruptcy or similar proceeding.

10. Any invalidity, in whole or in part, of any provision of this Agreement shall not effect the validity or enforceability of any other provision of this Agreement.

11. This Agreement contains all of the terms agreed upon by the parties with respect to the subject matter hereof.

12. This Agreement and all actions taken hereunder in accordance with its terms shall be binding upon and inure to the benefit of the City and Laclede and their respective successors and assigns.

13. This Agreement shall be construed and enforced in accordance with the laws of the State of Missouri.

14. This Agreement may be executed in one or more counterparts and by each of the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which together shall constitute one and the same agreement.

15. No amendment to this Agreement shall be effective unless:

- A. The amendment is in writing; and
- B. The amendment is agreed to and signed by the parties hereto.

16. A. All notices to either the City or Laclede pursuant to this Agreement shall be delivered to the other party via telecopy, registered or certified mail, postage prepaid, or overnight next Business Day delivery service.

B. All notices shall be deemed conclusively to have been given upon receipt if the same is in writing, signed by an authorized representative of the party giving notice and (1) mailed, by registered or certified mail, postage prepaid, or (2) hand-delivered, or (3) faxed, with confirmation received, to the notice address.

ORDINANCE NO. 1198

AN ORDINANCE RENEWING AN EXISTING FRANCHISE AND GRANTING FOR A PERIOD OF TWENTY (20) YEARS TO LACLEDE GAS COMPANY, A MISSOURI CORPORATION, ITS SUCCESSORS AND ASSIGNS, THE RIGHT, PERMISSION AND AUTHORITY TO SET AND MAINTAIN ITS MAINS, SERVICE PIPES, CONDUITS, CONDUCTORS, TANKS, VAULTS, VAPORIZERS, REGULATORS AND OTHER FIXTURES, AND TO EXCAVATE FOR, INSTALL AND MAINTAIN THE NECESSARY EQUIPMENT FOR THE OPERATION AND MAINTENANCE OF A SYSTEM FOR THE TRANSMISSION, DISTRIBUTION, AND SALE OF GAS ALONG, ACROSS OR UNDER ANY OF THE PUBLIC ROADS, STREETS, ALLEYS OR PUBLIC PLACES WITHIN THE CITY OF DARDENNE PRAIRIE, MISSOURI, PRESCRIBING THE TERMS AND CONDITIONS OF SUCH GRANT, AND IMPOSING CERTAIN OBLIGATIONS UPON THE GRANTEE, ITS SUCCESSORS AND ASSIGNS, SUCCESSIVELY, IN CONNECTION THEREWITH.

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF DARDENNE PRAIRIE, MISSOURI, AS FOLLOWS:

SECTION 1. The franchise, right, permission and authority is hereby granted to and vested in Laclede Gas Company, a corporation of the State of Missouri (hereinafter sometimes called "Laclede"), its successors and assigns, to set and maintain its mains, service pipes, conduits, conductors, tanks, vaults, vaporizers, regulators and other fixtures, and to excavate for, install and maintain the necessary equipment for the operation and maintenance of a system for the transmission, distribution and sale of gas, along, across or under any of the public roads, streets, alleys or public places within the corporate limits of the City of Dardenne Prairie, Missouri, as now fixed or as hereafter extended (hereinafter sometimes called "City") for the purpose of transmitting, distributing and selling gas for light, heat, power and other purposes within the City of Dardenne Prairie, and for the purpose of transmitting gas through said City. The exercise of the rights, permission and authority hereby granted shall at all times be subject to proper regulation by the City in the exercise of its police powers, provided that Laclede has a certificate of public convenience and necessity from the Missouri Public Service Commission, for the purpose of supplying light, heat and power within and through the City. All fixtures installed and maintained pursuant to this Ordinance shall be so located on public roads, streets, alleys or public places under such supervision as the City may from time to time proscribe so as not to disturb or damage unnecessarily any pavement, sidewalks, drains, sewers, water mains, fiber optic cable, traffic signal equipment, or other like improvements, and Laclede shall repair the damage caused by such installation and maintenance to all pavement, sidewalks, drains, sewers, water mains, fiber optic cable, traffic signal equipment, or other like improvements in a good and workmanlike

manner. All such work shall be done with due and reasonable dispatch and with the least practicable interference with the rights of the public. All such facilities shall be installed and maintained with due regard to and the rightful use by other persons, vehicles or otherwise, of the public roads, streets, alleys and other public places.

SECTION 2. Extensions of, and additions to, the distribution system maintained by Laclede, its successors or assigns, in the City shall be made in accordance with the rules and regulations governing such extensions and additions by Laclede now on file with the Public Service Commission of Missouri or in accordance with such amended rules and regulations governing such extensions and additions by Laclede, its successors or assigns, as may hereafter become effective in the manner provided by law. Laclede shall provide gas to the inhabitants of the City in accordance with the rules and regulations on file with the Missouri Public Service Commission, as the same may be modified from time to time. The rates to be charged by Laclede for the transmission, distribution and sale of gas furnished hereunder shall be the lawful rates fixed or approved from time to time by the Missouri Public Service Commission, or any regulatory body that may succeed to the power of said Commission to fix rates within the City. All facilities of Laclede in the City shall be installed and maintained in accordance with the applicable rules and regulations of the Missouri Public Service Commission and the ordinances of the City.

SECTION 3. The rights, privileges and authority hereby granted shall inure to and be vested in Laclede, its successors and assigns, successively, subject to all of the terms, provisions and conditions herein contained, and each of the obligations hereby imposed upon Laclede shall devolve and be binding upon its successors and assigns, successively, in the same manner.

SECTION 4. As consideration for the rights and privileges conferred by this Ordinance:

(a) Subject to voter approval, Laclede shall be obligated to pay, and by its acceptance of this Ordinance agrees to pay to the City a sum equal to five percent (5%) of Laclede's gross receipts from its business within the corporate limits of the City for each calendar month.

(b) Laclede shall pay to the City, on or before the last day of each calendar month during the term of this franchise, an amount equal to such percentage from customers within the City for the preceding calendar month.

(c) With each payment hereunder, Laclede shall file with the City's Clerk a sworn statement of the gross receipts for the applicable period and also a sworn statement of all payments made by it for such period on account of any of the taxes hereinafter enumerated in subparagraph (d). The term "gross receipts" means the aggregate amount of all sales and charges from the business of supplying gas or gas service made by Laclede in the City during any period less discounts, credits, refunds and uncollectible accounts; excepting, however, gross receipts derived from the furnishing of

such services to the City which shall not be included in gross receipts nor shall payment be due on such gross receipts.

(d) All payments made pursuant to the provisions of this Section 4 will be reduced by the total of payments made by Laclede for the applicable periods of time or portions thereof on account of any tax levied or imposed by the City upon the business of providing gas or gas service or upon the right or privilege of engaging in such business within the corporate limits of said City, whether said tax be designated as an occupation tax, a license tax, or otherwise; but not including a sales tax levied or imposed pursuant to ordinances of the City.

SECTION 5. No franchise, right, privilege or authority given or granted by this Ordinance shall become effective until there shall have been filed with the City Clerk of the City of Dardenne Prairie, Missouri, the written acceptance of this Ordinance by Laclede, in substantially the form attached hereto and marked as Exhibit A. Such acceptance shall be so filed within ninety (90) days from the final passage and approval of this Ordinance, and when so filed, shall, together with its operation by Laclede, its successors or assigns, under the terms of this Ordinance, constitute full consideration for the franchise rights, privileges and authority hereby granted; provided however, that if such acceptance be not so filed within said period of ninety (90) days, all rights, privileges, and authority herein granted shall become null and void. This ordinance, upon its enactment and subject to its acceptance by Laclede as hereinbefore provided, shall continue and remain in full force and effect for a period of twenty (20) years beginning September 21, 2007 and ending September 20, 2027.

SECTION 6. Neither acceptance of, nor compliance with, the provisions of this ordinance shall in any wise impair or affect, or constitute or be construed as a relinquishment or waiver of, any right, permission or authority that Laclede, its successors or assigns, may have independently of this ordinance; nor shall any use by Laclede, its successors or assigns, of public property or places in the City of Dardenne Prairie, as authorized by this ordinance, or service rendered by Laclede, its successors or assigns, in said City, be treated as use solely of the rights, permission and authority provided for by this ordinance or as service referable solely to this ordinance or to any obligation of service consequent upon acceptance thereof or as in any wise indicating non-use of, non-compliance with, any obligation incident to, any right, permission or authority vested in Laclede, its successors or assigns, independently of this ordinance; and the acceptance provided for in Section 5 of this ordinance, and each and every compliance with the provisions of this ordinance or with any obligation arising from acceptance thereof, shall be subject to, and conditioned by, the provisions of this Section 6, with the same force and effect as though each of the provisions of this section were expressly incorporated in such acceptance and expressly declared by the acceptor, its successors or assigns, at and prior to the time of such compliance by it, as conditions of such compliance.

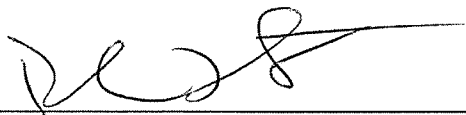

SECTION 7. This Ordinance shall be further subject to approval or disapproval of the voters of this City only upon the terms and conditions as provided in Mo. Rev. Stat. § 88.251 (2000). If the City Clerk does not receive within thirty (30) days after the passage of this Ordinance a petition sufficient in form and signed by the requisite number of voters, it shall be a valid and binding franchise of the City upon the filing of an acceptance by Laclede according to the terms prescribed herein and shall remain in full force and effect in accordance with the terms hereof.

SECTION 8. This ordinance shall not relieve Laclede of the obligation to comply with any ordinance now existing in the City or enacted in the future requiring Laclede to obtain written permits or other approval from the City prior to commencement of construction of facilities within the public roads, streets, alleys, or other public places thereof, except Laclede shall not be required to obtain permits or other approval from the City for the maintenance and repair of its facilities within its own easements.

SECTION 9. Nothing contained herein shall in any manner be deemed or construed to alter, modify, supersede, supplant or otherwise nullify any other Ordinance of the City or the requirements thereof whether or not relating to or in any manner connected with the subject matter hereof, unless expressly set forth herein.

SECTION 10. If any term, condition, or provision of this Ordinance shall, to any extent, be held to be invalid or unenforceable, the remainder hereof shall be valid in all other respects and continue to be effective and each and every remaining provision hereof shall be valid and shall be enforced to the fullest extent permitted by law, it being the intent of the Board of Aldermen that it would have enacted this Ordinance without the invalid or unenforceable provisions. In the event of a subsequent change in applicable law so that the provision which had been held invalid is no longer invalid, said provision shall thereupon return to full force and effect without further action by the City and shall thereafter be binding.

Dear Mr. Frankey:

Enclosed please find a listing of all of the stores to be located at West County Center sorted by street address (all are addressed as # West County Center) and the tenant names for all of the spaces currently leased.

West County Center is located within a Tax Increment Financing (TIF) District. The city is required to transmit 50% of incremental revenue (above 1996 revenues) from all businesses located within the district including the gross receipts tax on utilities. Laclede Gas is requested to segregate the revenues from the above area and report gross receipts on a monthly basis from business activity within that area.

We appreciate your cooperation in this matter. If you have any questions please feel free to contact me.

ORDINANCE NO. 1896

INTRODUCED BY Alderman Kleinschmidt

AN ORDINANCE AUTHORIZING THE ISSUANCE BY THE CITY OF DES PERES, MISSOURI OF TAX INCREMENT REVENUE NOTES (WEST COUNTY CENTER PROJECT), TO PROVIDE FUNDS TO FINANCE CERTAIN REDEVELOPMENT PROJECT COSTS RELATING TO A TAX INCREMENT REDEVELOPMENT PLAN FOR THE MANCHESTER/BALLAS REDEVELOPMENT AREA; AND APPROVING CERTAIN DOCUMENTS AND ACTIONS IN CONNECTION WITH THE ISSUANCE OF SAID NOTES.

WHEREAS, on January 23, 1995, the Board of Aldermen of the City of Des Peres, Missouri, pursuant to Ordinance No. 1699, created and empowered the Tax Increment Financing Commission of the City of Des Peres, Missouri (the "TIF Commission") to transact business and exercise its powers as authorized by the Real Property Tax Increment Allocation Redevelopment Act, Sections 99 800 to 99.865, Revised Statutes of Missouri, as amended (the "Act"), and

WHEREAS, upon recommendation of the TIF Commission, the Board of Aldermen adopted Ordinance Nos. 1873, 1874 and 1875 on December 18, 1997, (1) approving a redevelopment plan titled "Redevelopment Plan Manchester/Ballas Redevelopment Area" (the "Redevelopment Plan") pursuant to the Act, (2) designating the "Manchester/Ballas Redevelopment Area" within the City as the Redevelopment Area (as that term is defined in the Redevelopment Plan), (3) establishing a Special Allocation Fund pursuant to the Act for the payment of redevelopment project costs and obligations incurred in the payment thereof and (4) authorizing the City to enter into a Redevelopment Agreement (the "Agreement") with West County Center, L.L.C., a Delaware limited liability corporation (the "Developer"); and

WHEREAS, the City desires to issue, from time to time, its Tax Increment Revenue Notes (West County Center Project) (the "Notes"), to provide funds to carry out the redevelopment project in the Redevelopment Area (the "Project") described in the Agreement, said Notes being payable solely from certain proceeds deposited into the Special Allocation Fund (as such terms are defined in the hereinafter referred to Indenture); and

WHEREAS, the City has determined that it is in the best interest of the City to sell the Notes from time to time at a private sale, without advertisement, to the Developer or an affiliated entity thereof at a price of not less than 100% of their face value; and

WHEREAS, it is necessary at this time to authorize the issuance and delivery of the Notes;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF DES PERES, MISSOURI, AS FOLLOWS:

Section 1. Authorization of the Notes. To accomplish the purposes of the Act and to provide for the payment of a portion of the cost of the Project, the City hereby authorizes the issuance of the Notes in an aggregate principal amount not to exceed \$29,800,000, which Notes shall be issued under and secured by and shall have the terms and provisions set forth in the Agreement and the Indenture. The Notes shall bear such dates, shall mature at such times and in the amounts, shall be in such denominations, shall bear interest at such rates, shall be in such forms, shall be subject to redemption, shall have such other terms and provisions, and shall be issued, executed and delivered in such manner subject to such provisions, covenants and agreements as are set forth in the Indenture. The Notes shall be executed on behalf of the City by the Mayor and attested by the City Clerk, and shall have the corporate seal of the City affixed thereto.

Section 2. Limited Obligations. The Notes and the interest thereon shall constitute special, limited obligations of the City payable as to principal and interest solely from (a) Net Proceeds on deposit in the Pilots Account within the Special Allocation Fund and transferred to the Trustee under the Indenture, (b) subject to annual appropriation and to the extent permitted by law, Net Proceeds on deposit in the Economic Activity Tax Account within the Special Allocation Fund and transferred to the Trustee under the Indenture, and (c) certain other funds and accounts held by the Trustee under the Indenture, after the payment of certain other amounts as set forth in **Section 402(b)** of the Indenture and which constitute Redevelopment Project Costs (as defined in Section 99.805(11) of the Act). Net proceeds do not include any amount paid under protest until the protest is withdrawn or resolved against the taxpayer nor any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

The moneys on deposit in the Pilots Account shall be those payments in lieu of taxes (as defined in Sections 99.805(7) and 99.845 of the Act) attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Redevelopment Area over and above the initial equalized assessed valuation of the real property within the Redevelopment Area, as described and determined in accordance with Section 99.855 of the Act. Moneys on deposit in the Economic Activity Tax Account shall be those amounts, subject to annual appropriation, equal to fifty percent (50%) of the total additional revenues from taxes which are imposed by the City or any other taxing district which are generated by economic activities within the Redevelopment Area over the amount of such taxes generated by economic activities within the Redevelopment Area in the calendar year ending December 31, 1996, as described and determined in accordance with Section 99.845.3 of the Act.

The Notes shall not constitute debts or liabilities of the City, the State of Missouri or any political subdivision thereof within the meaning of any constitutional or statutory debt limitation or restriction. Neither the City, the TIF Commission, the commissioners of said TIF Commission, the officers, employees and agents of the City nor any person executing the Notes shall be personally liable for such obligations by reason of the issuance thereof.

Section 3. Authorization and Approval of Indenture. The Trust Indenture (the "Indenture") between the City and Magna Bank, N.A., St. Louis, Missouri, as trustee (the "Trustee"), providing for the issuance thereunder of the Notes and setting forth the terms and provisions applicable thereto, is hereby approved in substantially the form set forth as **Exhibit A** hereto. The Mayor and City Clerk are hereby authorized and directed to execute and deliver the Indenture with such changes therein as shall be approved by such officials, such officials' signatures thereon being conclusive evidence of their approval and the City's approval thereof.

The Mayor is hereby authorized and directed to execute, by manual or facsimile signature, the Notes at the times set forth in the Agreement, and to deliver the Notes to the Trustee for authentication for and on behalf of and as the act and deed of the City in the manner provided in the Indenture. The City Clerk is hereby authorized and directed to attest, by manual or facsimile signature, to the Notes and to such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance.

Section 5. Further Authority. The City shall, and the officers, agents and employees of the City are hereby authorized and directed to, take such further action and execute such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance and to carry out, comply with and perform the duties of the City with respect to the Notes, the Indenture and the Agreement.

ORDINANCE NO. 1186

AN ORDINANCE OF THE CITY OF EDMUNDSON, MISSOURI, IMPOSING A LICENSE TAX ON THE GROSS RECEIPTS OF UTILITIES SUPPLYING SERVICES TO NON-RESIDENTIAL CUSTOMERS WITHIN THE CITY OF EDMUNDSON, MISSOURI.

WHEREAS, Section 94.270 RSMo. 1994 authorizes fourth class cities such as the City of Edmundson to impose a license tax on the gross receipts of utility companies doing business and supplying service within such cities; and

WHEREAS, neighboring municipalities impose such a tax on residents and businesses while the City has no such tax, leaving the City at a competitive disadvantage in providing municipal services; and

WHEREAS, the Board of Aldermen of the City of Edmundson has determined that the revenues derived from a utility tax, for supplying service to non-residential customers within the City, are critical for the City to continue to provide essential and better municipal services to the City's residents and businesses; and

WHEREAS, the Board of Aldermen of the City of Edmundson desires that the levy of such a tax be submitted to the voters of the City as required by Art. X, Section 22(a) of the Missouri Constitution (the Hancock Amendment); and

WHEREAS, if approved by the voters, the utility tax shall apply only to those utility services delivered to non-residential customers located within the City;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF EDMUNDSON, ST. LOUIS COUNTY, MISSOURI, AS FOLLOWS:

There is hereby levied and imposed upon all persons now or hereafter engaged in the business of furnishing or supplying light, electricity, electrical service or power, gas or gas service, telephone or telephone service, telephone exchange service, or water or water

service to non-residential customers within the City, a monthly license or occupational tax amounting to the sum of six percent (6%) of the gross receipts derived from carrying on such business within the City.

It shall be the duty of every person engaged in any of the businesses described in this chapter to file with the City Clerk on or before the last day of each month a sworn statement showing the gross receipts derived from the transaction of such business in the City during the previous calendar month, and at such times, pay to the City the tax thereon as hereinabove set forth at the rate of six percent (6%), and the license granted on the payment of such tax shall be issued to cover the next ensuing calendar month.

Section 636.040 Inspections of Records

The City or any auditor employed by the City is hereby authorized to investigate the correctness and accuracy of any statement filed pursuant to this chapter and for that purpose shall have access at all reasonable times to the books, documents, papers and records of any person making such return in order to ascertain the accuracy thereof.

Section 636.050 Payments in lieu of Other Taxes

WHEREAS, residents and businesses in the City of Green Park have been paying a five percent tax on utility services pursuant to the Charter and ordinances of St. Louis County prior to incorporation of the said City; and

WHEREAS, imposition of a municipal utility tax at the rate of five percent as hereinafter provided would not result in any increase in taxation for Green Park residents and business but would merely result in such tax revenues being paid to the City of Green Park rather than St. Louis County; and

WHEREAS, revenues derived from a utility tax as hereinafter provided are critical to the City of Green Park being able to provide essential municipal services to residents and businesses located within the said City; and

WHEREAS, Art. X, § 22(a) of the Missouri Constitution may require voter approval for levying such a utility tax, even though no tax increase would result from the municipal tax hereinafter provided;

Section 1. License Tax Levied; Amount.

(a) Subject to voter approval as hereinafter provided, there is hereby levied upon all persons now or hereafter engaged in the business of furnishing or supplying light, electricity, electrical service or power, gas or gas service, telephones or telephone service, or water or water service, within the city, a monthly license or occupational tax amounting to the sum of five percent (5%) of the gross receipts derived from carrying on such business within the city.

The city or any auditor employed by the city is hereby authorized to investigate the correctness and accuracy of any statement filed pursuant to this ordinance and for that purpose shall have access at all reasonable times to the books, documents, papers and records of any person making such return in order to ascertain the accuracy thereof.

Section Four. License Tax in Lieu of Other Occupational or License Taxes.

The license tax imposed by this ordinance shall be in lieu of any other occupational or license tax required of any person engaged in any of the businesses described in this ordinance but nothing contained in this ordinance shall be construed to exempt any such person from the payment to the city of the tax which the city levies upon the real or personal property belonging to any such person, nor the tax required of merchants or manufacturers, if any, for the sale of anything other than the commodity or service herein specified, nor shall the license tax required by this ordinance exempt any such person from the payment of any tax which may be lawfully required other than an occupational or license tax.

(DL6-51)

In accordance with the City of Hazelwood's charter provisions, a charter amendment vote was held on April 7, 1981, in which the voters approved the amendment to extend the city limits to include certain parcels of land delineated on the attached map. On the same date, the residents of the unincorporated areas seeking to be annexed voted to approve the annexation. These areas became a part of the City of Hazelwood effective April 23, 1981. From that date, you should treat the areas as incorporated parts of St. Louis County, Missouri.

Very truly yours,

Leslie Shechter
Assistant County Counselor
