In support of this Application, Applicant respectfully states as follows:

1. On January 20, 2012 Union Electric Company d/b/a Ameren Missouri ("AmerenMissouri") filed its *Application to Approve DSIM Filing, Request for Variances and Motion to Adopt Procedural Schedule*. On January 23, 2012, this Commission issued its *Order Directing Notice of Application, Establishing Intervention Filing Date, and Scheduling a Procedural Conference*, setting January 27 as the deadline for filing intervention applications;
2. Applicant operates a not-for-profit hospital within the state of Missouri. Over a period of many years Applicant has purchased substantial amounts of electricity from AmerenMissouri as well as utilities from other utility companies in the state of Missouri.

BJH has been an intervenor and participant in several prior AmerenMissouri cases and, as a large health care customer of AmerenMissouri, has a direct and immediate interest in these proceedings that is different from that of the general public. Therefore, granting this proposed intervention would serve the public interest and would assist the Commission in development of a more complete record.

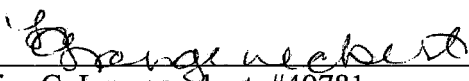

4. BJH does not at this time have sufficient information to assert a position on this case, and it reserves the right to assert positions after it has had an adequate opportunity to examine the record and any documents of other parties filed herein.

5. Correspondence and communications regarding this application, including service of all notices and orders of this Commission, should be addressed to:
