The Commission may classify a company as competitive if it finds that all the telecommunications services the company offers are competitive services. § 392.361.3. If the Commission's Staff makes a favorable recommendation and no request for hearing is filed, the Commission may act upon a verified application without hearing. State ex rel. Deffenderfer v. P.S.C., 776 S.W.2d 494 (Mo. App. 1989). The Commission ordinarily waives the application of the statutes and Commission rules listed below for competitive companies.
