and for Competitive Classification.)

Case No. TA-2000-304

**NOTICE OF FILING OF JOINT STIPULATION AND AGREEMENT
IN LIEU OF PROCEDURAL SCHEDULE AND
REQUEST TO TAKE CASE UNDER SUBMISSION**

Come now BroadStream Corporation ("BroadStream"), pursuant to the Commission's *Order Granting Intervention and Directing Filing of Procedural Schedule* issued in the above-captioned case on December 17, 1999, and respectfully states as follows:

1. On December 17, 1999 the Commission issued its *Order Granting Intervention and Directing Filing of Procedural Schedule* wherein the Commission ordered the parties to file a proposed procedural schedule no later than 3:00 p.m. on January 17, 2000. While the "ordered" section of the Order did not specifically provide for the filing of a joint stipulation and agreement in lieu of a procedural schedule, earlier in the Order the Commission did suggest that the proposed procedural schedule could provide a date for the filing of a stipulation and agreement.

2. The parties have been able to execute a Joint Stipulation and Agreement, which has been filed this date. As such, there should be no need for a procedural schedule to be requested or set for this case. Applicant therefore requests that the Commission take the case under submission without further proceedings, except for the usual filing of Staff's Suggestions In Support of the Stipulation and Agreement, if same is required.

WHEREFORE, Applicant BroadStream Corporation respectfully notifies the Commission that it has this date filed a Joint Stipulation and Agreement and requests that the Commission take this case under submission without the need for further proceedings.

Respectfully submitted,

Charles Brent Stewart
