NOTICE OF CORRECTION

On May 19, 1998, the Commission issued an order conditionally granting Mark Twain Communications Company (MTCC) a certificate of service authority to provide basic local telecommunications services in portions of the state of Missouri. As MTCC pointed out in a pleading filed on May 22, the order erroneously stated that MTCC is certificated to provide intrastate interexchange service in Missouri. The Commission's records are corrected by this notice to reflect that MTCC does not hold a certificate of service authority to provide interexchange service in Missouri.
