**NOTICE CLOSING CASE**

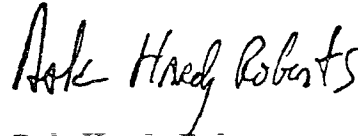

On October 30, 1998, WinStar Wireless, Inc. (WinStar) filed a notice with the Commission indicating that, because of a corporate reorganization, WinStar Wireless of Missouri, Inc. (WinStar of Missouri) would cease to exist and its sister corporation, WinStar, would conduct its Missouri operations. WinStar filed an Adoption Notice with an effective date of November 4, by which it sought to adopt the tariffs of WinStar of Missouri. This case was opened to deal with that adoption notice.

On November 16, WinStar and WinStar of Missouri filed an Application for Approval of Merger and Reorganization, which was docketed as Case No. TM-99-218. In this Application, WinStar and WinStar of Missouri seek Commission approval of the corporate reorganization of which they notified the Commission in the letter of October 30. Also on November 16, WinStar filed an Application for Interexchange and Non-Switched Local Exchange Service Authority and for Competitive Classification. That application was docketed as TA-99-219. Along with that application, WinStar filed an Adoption Notice with an effective date of December 31,

1998 by which WinStar proposes to adopt the tariffs of WinStar of Missouri.

In their Application for Approval of Merger and Reorganization WinStar and WinStar of Missouri suggest that, as a result of the filings in Case Nos. TM-99-218 and TA-99-219, this case has become superfluous. The Commission agrees. Therefore, this case may be closed.
