CASE NO. TT-98-97

NOTICE

On March 16, 1998, Staff of the Public Service Commission attempted to file the Hearing Memorandum, however, because the signature of MCI Telecommunications Corporation (MCI) was missing the Records Department was directed not to accept that filing. The Hearing Memorandum was subsequently accepted for filing on March 17, the date upon which MCI provided its signature page for the Hearing Memorandum. The failure or refusal of any one party to provide there signature should not jeopardize the position of those parties who are prepared to comply with the ordered schedule.

The record shall reflect that the Hearing Memorandum was timely filed as to those parties whose signatures appear on the March 16 document, and it was only MCI who filed out of time.
