THE MIDWEST ENERGY CONSUMERS GROUP**

COMES NOW the Midwest Energy Consumers Group (“Applicants” or “MECG”), pursuant to 4 CSR 240-2.075 of the Missouri Public Service Commission’s Rules of Practice and Procedure and the Commission’s August 3, 2017 *Notice and Order Directing Filings*, and for its Application to Intervene respectfully states as follows:

1. The Midwest Energy Consumers Group is an incorporated association representing the interests of large commercial and industrial users of electricity in the service areas of Missouri public utilities including Ameren Missouri.
2. The matters to be considered in this case and the Commission’s determinations thereon, could have a direct and significant impact on Applicants’ cost of energy service and the manner in which it is supplied. Therefore, granting this proposed intervention to the Applicants would serve the public interest and would assist the Commission in development of a more complete record.
3. As large user customers of Ameren Missouri, the Applicants have a direct and immediate interest in these proceedings that is different from that of the general public. To this point, MECG has been granted intervention in Ameren’s last several rate proceedings. While Applicants do not at this time have sufficient information to assert a position on this investigation, they reserve the right to assert positions after they have had

an adequate opportunity to examine the record, and any documentation of other parties filed herein.

4. Correspondence and communications regarding this application, including service of all notices and orders of this Commission, should be addressed to:

WHEREFORE, having stated the grounds for intervention and the position and interest of the Applicants in these proceedings, Applicants ask that the Commission grant this Application for Intervention, and thereby entitle said Applicants to have notice of and to appear at the taking of testimony, to produce and cross-examine witnesses, and to be heard in person or by counsel on the argument, and in all other respects to be made parties to this proceeding.
