BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

In the Matter of the Surrender of the)
Certificate of Service Authority for) Case No. TD-2000-38
U.S. Osiris Corporation.)

ORDER CANCELING CERTIFICATE AND TARIFF

On July 14, 1999, U.S. Osiris Corporation (Osiris) filed its application seeking to surrender its certificate of service authority to provide telecommunications services in Missouri. In support of its application, Osiris asserts that it received its certificate on October 12, 1993, in Case No. TA-94-53, and that it presently has no customers in Missouri. Osiris asserts further that cancellation of its certificate will not be detrimental to the public interest.

On July 26, 1999, the Commission directed the Staff of the Missouri Public Service Commission (Staff) to investigate the circumstances pertaining to Osiris' application and to make a recommendation to the Commission. Staff filed its Memorandum on August 13, 1999, regarding the proposed cancellation of Osiris' certificate and related tariff. Staff stated it had reviewed Osiris' application and had no objection to the Commission issuing an order canceling the certificate and related tariff.

Section 392.410, RSMo Supp. 1998, gives the Commission authority to cancel a telecommunications company's certificate of service authority. The Commission has reviewed Osiris' application, Staff's

memorandum, and the official file and finds that the interexchange certificate and tariff granted to Osiris in Case No. TA-94-53 shall be canceled.

IT IS THEREFORE ORDERED:

1. That the interexchange certificate and tariff granted to U.S. Osiris Corporation in Case No. TA-94-53 on November 9, 1993, are canceled.
2. That this order shall become effective on August 26, 1999.
3. That this case may be closed on August 27, 1999.
