SUBJECT: Staff Recommendation to Cancel a Certificate of Service  
Authority to Provide Interexchange Telecommunications  
Services and the Accompanying Tariff

DATE: January 19, 2000

On January 11, 2000, SeTel, L.L.C. (SeTel), a competitive telecommunications company, filed its motion for Surrender of Certificate of Service Authority. SeTel was certificated by this Commission to provide interexchange telecommunication services on June 27, 1997 in Case No. TA-97-503. According to Se-Tel, there are no customers in Missouri so surrender of the certificate would not be detrimental to the public interest.

Although SeTel did not request cancellation of its accompanying tariff, the Telecommunications Department Staff (Staff) believes that the tariff must also be canceled. Staff has no objections to SeTel's motion and recommends that the Commission issue an order to cancel the certificate of service authority and accompanying tariff at its earliest convenience. The Staff is unaware of any other filing which affects or which would be affected by this proposal.
