BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Cancellation of)	
the Certificate of Service Authority and)	<u>Case No. TD-2000-549</u>
Accompanying Tariff for Digital Dial)	
Communications, Inc.)	

ORDER CANCELING CERTIFICATE

On March 9, 2000, the Staff of the Missouri Public Service Commission (Staff) filed a motion to open a case and cancel the certificate of authority and accompanying tariff of Digital Dial Communications, Inc. (DDCI). The Commission granted DDCI a certificate of service authority to provide intrastate interexchange telecommunications services on August 28, 1996, in case number TA-97-26.

Staff stated that DDCI did not file an annual report in 1998, as required by Sections 392.210 and 392.390.1, RSMo 1994, and its 1999 annual report form was returned by the post office as undeliverable. Staff contacted the Missouri Secretary of State's Office and was informed that DDCI was administratively dissolved the Missouri Secretary of State on August 31, 1995, due to its failure to file an annual report. Although DDCI has not filed a formal request to cancel its certificate, Staff believes DDCI has violated the terms of its certificate by its failure to keep the Commission informed of its current address and telephone number and its failure to file annual reports.

On May 26, 2000, the Commission issued an Order Directing Filing, which directed Staff to give notice of its Motion to Cancel Certificate of Service Authority and Accompanying Tariff by mailing a copy thereof to DDCI and its attorney of record by certified United States Mail, return receipt requested. The Commission also directed Staff to file its pleading advising the Commission whether the same was delivered or was returned.

On August 2, 2000, the Commission issued a second Order Directing Filing, which directed Staff to file a pleading advising the Commission as to the status of its compliance with the Commission's Order of May 31, 2000.

Staff filed a Status Update on August 9, 2000. In the Update, Staff states that Staff gave notice, via certified United States Mail, return receipt requested, to Mr. McKenzie and to DDCI's attorney of Staff's motion recommending that the Commission cancel DDCI's certificate of service authority and tariff. Subsequently, the United States Postal Service (USPS) returned the letter addressed to Mr. McKenzie as undeliverable and marked "Attempted, Not Known." The USPS returned the receipt showing delivery of the letter addressed to DDCI's attorney.

The Commission has authority to cancel a telecommunications corporation's certificate pursuant to Section 392.410.5, RSMo Supp. 1999, which provides:

Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.

However, the Commission need not hold a hearing if, after proper notice and opportunity to intervene, no party requests such a hearing. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2d 494 (Mo. App. 1989). DDCI did not respond to Staff's motion to cancel its certificate of service authority and no one has requested a hearing in the case. Therefore, the Commission may grant the relief requested based on Staff's motion.

The Commission has reviewed the application and the official file and finds that the certificate of service authority and accompanying tariff to provide intrastate interexchange telecommunications services granted to DDCI in case number TA-97-26 shall be canceled.

IT IS THEREFORE ORDERED:

1. That the certificate of authority and tariffs granted in case number TA-97-26 to Digital Dial Communications, Inc., shall be canceled on August 25, 2000.

2. That this case may be closed on August 28, 2000.

BY THE COMMISSION
