To Whom it May Concern,

I was informed to write this letter to the Missouri Public Service Commission by your office. The purpose of this letter is to inform you that I am no longer in the pay telephone business. Actually I never was in the pay telephone business due to never receiving the pay telephones I ordered. The telephone company went bankrupt and I never was reimbursed the \$8,000.00 dollars I invested.

It is my understanding that I do not have to fill out my annual income report since I am not in the business. If you have any questions, telephone me at 417-667-5637.
