NOTICE CLOSING CASE

On July 15, 1997, the Commission issued its Order Granting Rehearing, Consolidating Cases and Approving Resale Appendix which consolidated Case Nos. TO-97-304 and TO-97-334 with Case No. TO-97-334 being identified as the lead case among the consolidated cases. The Commission also approved an interconnection agreement between Brooks Fiber Communications of Missouri, Inc. (Brooks) and Southwestern Bell Telephone Company (SWBT) in the same order.

On July 29, 1999, the Staff of the Missouri Public Service Commission (Staff) filed separate pleadings both entitled Motion to Close Case in Case No. TO-97-304 and Case No. TO-97-334. Both motions should be filed in Case No. TO-97-334 since those cases are consolidated with Case No. TO-97-334 designated as the lead case.

Staff stated in its motion that Brooks and SWBT filed an interconnection agreement on September 15, 1997. No further

action is required in Case No. TO-97-334 or TO-97-304 and, therefore,
both consolidated cases may be closed.
