)

ORDER CLOSING CASE

On September 17, 1993, the Commission issued its Report And Order in Case No. EO-93-259 which, *inter alia*, authorized Sho-Me Power Corporation, now Sho-Me Power Electric Cooperative, (Sho-Me) to convert to a Chapter 394, R.S.Mo. 1986, rural electric cooperative. The effective date of the order was October 1, 1993, if Sho-Me paid its unpaid annual assessments. On September 21, 1993, the ordered payments were received and upon the effective date of the Report And Order in Case No. EO-93-259 Sho-Me ceased being regulated by the Commission as a Chapter 393, R.S.Mo. 1986, utility.

On September 29, 1993, the Commission issued its Supplemental Order Canceling Certificate And Tariffs for Sho-Me effective October 1, 1993. A Motion For Rehearing filed by the City of West Plains, Missouri, was denied by the Commission on October 12, 1993.

The Commission determines that its Report And Order in Case No. EO-93-259 has rendered the action herein moot, as its jurisdiction over Sho-Me ended upon Sho-Me's authorized conversion to a Chapter 394 rural electric cooperative. The Commission, therefore, will dismiss this case for the reasons herein stated and close the file.

**IT IS THEREFORE ORDERED:**

1. That the action filed herein involving Sho-Me Power Electric Cooperative be hereby dismissed.
