Mr. Morris Woodruff
Secretary of the Commission
Missouri Public Service Commission

Dear Mr. Woodruff:

The tariff sheets listed below issued by Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "the Company") were filed as a revision of Schedule No. 6, Schedule of Rates for Electricity, on December 19, 2018:

<u>Filed</u>	<u>Canceling</u>
1st Revised Sheet No. 86	Original Sheet No. 86
1st Revised Sheet No. 86.1	Original Sheet No. 86.1
Original Sheet No. 86.2	
Original Sheet No. 86.3	
Original Sheet No. 86.4	
Original Sheet No. 86.5	
Original Sheet No. 86.6	
Original Sheet No. 86.7	
Original Sheet No. 86.8	
Original Sheet No. 86.9	

These tariff sheets are being issued December 19, 2018 to become effective on and after January 18, 2019.

The tariff revisions being requested are necessary to support implementation of RSMo 393.1640 which makes electric incentives available to certain customers that have incremental qualifying electric load and also receive local, regional or state governmental economic development incentives.

The proposed tariff sheets create Rider EDI on Sheet Nos. 86-86.5 and relocates the existing Rider EDRR, with minor changes, to Sheet Nos. 86.6-86.9. Discounts under Rider EDI will be applied to qualifying customers' bills on a monthly basis with validation of continued qualification occurring after the 24th billing period and annually thereafter.

The proposed tariff revisions were agreed upon through discussions with Missouri Public Service Commission Staff, Office of the Public Council, and Division of Energy and are supported by Ameren Missouri's "Support for Implementation of New Rider EDI – Economic Development Incentive and for Modification of Existing Rider EDRR – Economic Development and Retention Rider" filed concurrently in ET-2019-0149.

Sincerely,

Paula N. Johnson
