**BEFORE THE PUBLIC SERVICE COMMISSION
STATE OF MISSOURI**

**NOTICE OF APPLICATIONS
FOR INTRASTATE CERTIFICATES OF SERVICE AUTHORITY
AND OPPORTUNITY TO INTERVENE**

YOU ARE NOTIFIED THAT each applicant listed in the schedules accompanying this notice has applied to the Commission for a certificate of service authority to provide intrastate telecommunications services. The certificate requested may be for provision of: 1) interexchange, 2) nonswitched local exchange, or 3) basic local exchange telecommunications services, or a combination thereof under Sections 392.410 through 392.455.¹ Each applicant has requested competitive classification and either filed a proposed tariff with a 45-day effective date or requested a temporary waiver of 4 CSR 240-2.060(4)(H).

The Commission must find that the grant of service authority is in the public interest. § 392.440. Applications for authority to provide basic local services must comply with Section 392.455. The Commission may classify a company as competitive if it finds that all the telecommunications services the company offers are competitive services. § 392.361.3. If the Commission's Staff makes a favorable recommendation and no request for hearing is filed, the Commission may act upon a verified application without hearing. State ex rel. Rex Deffenderfer v. Public Service Commission, 776 S.W.2d 494 (Mo. App. 1989). The Commission ordinarily waives the application of the statutes and Commission rules listed below for competitive companies.
