Case No. SF-97-195

NOTICE CLOSING CASE

On July 22, 1999, the Commission's Staff filed its motion to close this case. This case was originally opened to address financing authority for the West Elm Place Corporation in relation to acquisitions and improvements to benefit its plant and system. In Case No. SM-99-193 the Commission issued orders that approved the sale of this corporation's assets to a public sewer district and canceled the corporation's certificate of public convenience and tariffs.

Because West Elm Place Corporation has sold its plant and system, there is no basis or reason to support continued financing authority. No responsive pleadings have been received raising any issue with Staff's *Motion to Close Case*. No further action is required in this case. Therefore, this case may be closed.
