ORDER GRANTING INTERVENTION

AND DIRECTING FILING OF PROCEDURAL SCHEDULE

Southwestern Bell Telephone Company (SWBT) filed its application to intervene on June 23, 1997, stating that it has a direct interest in the Commission's decision in this case because it provides basic local exchange services and will be in direct competition with this company if the certificate is granted. SWBT argues that no other party will adequately protect its interests in this matter and that its intervention would be in the public interest because of SWBT's expertise and experience in the telecommunications industry.

The Commission has reviewed the application and finds that it is in substantial compliance with Commission rules regarding intervention and that the applicant has an interest in this matter which is different from that of the general public. The Commission concludes that the request for intervention should be granted and that the parties should file a proposed procedural schedule. The procedural schedule must include either dates for the filing of testimony and for a hearing, or a date for the filing of a stipulation and agreement. If no party requests a hearing, the Commission may grant the relief requested without a hearing. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Comm'n, 776 S.W.2d 494, 496 (Mo. App. 1989).

THEREFORE, IT IS ORDERED:

1. That Southwestern Bell Telephone Company is granted intervention in this case in accordance with 4 CSR 240-2.075(4).
2. That the parties shall file a proposed procedural schedule no later than August 25, 1997. The procedural schedule shall include either dates for the filing of testimony and for a hearing, or a date for the filing of a stipulation and agreement.
3. That this order shall become effective on the date hereof.
