ORDER DIRECTING STAFF REPORT

On July 14, 1999, U.S. Osiris Corporation (Osiris) filed its application seeking to surrender its certificate of service authority to provide telecommunications services in Missouri. In support of its application, Osiris asserts that it received its certificate on October 12, 1993, in Case No. TA-94-53, and that it presently has no customers in Missouri. Osiris asserts further that cancellation of its certificate will not be detrimental to the public interest.

The Staff of the Missouri Public Service Commission shall investigate the circumstances set out in the application and make a report to the Commission, including a recommendation as to whether or not the application should be granted and the certificate and tariff in question cancelled.

IT IS THEREFORE ORDERED:

1. That the Staff of the Missouri Public Service Commission shall investigate the circumstances set out in the application filed herein by U.S. Osiris Corporation and make a written report to the Commission, including a recommendation as to whether or not the

application should be granted and the certificate and tariff in question be cancelled, on or before September 23, 1999.

2. That this order shall become effective on July 26, 1999.
