OF THE STATE OF MISSOURI

In the Matter of the Cancellation of the)
Certificate of Authority and Tariffs for) **Case No. TD-2000-475**
Hebron Communications Corporation)

ORDER CANCELING CERTIFICATE

On February 2, 2000, Hebron Communications Corporation (HCC) filed its application for cancellation of certificate and tariff, asking the Missouri Public Service Commission (Commission) to cancel its certificate of authority and tariff. The Commission granted HCC a certificate of service authority to provide intrastate interexchange telecommunications services in case number TA-98-198 on December 30, 1997.

HCC stated in its application that it has ceased all telecommunications services within the State of Missouri and that it has no customers in the state of Missouri.

Section 392.410(5) RSMo 1999 states, in part: ". . . Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected. . . ." The requirement for a hearing is met when the opportunity for hearing has been provided and no proper party has requested the opportunity to present evidence. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2d 494, 496 (Mo. App. 1989). Since no one

has requested a hearing in this case, the Commission may grant the relief requested based on the verified application.

The Commission has reviewed the application and the official file and finds that the Certificate of Service Authority granted to HCC in case number TA-98-198 shall be canceled.

IT IS THEREFORE ORDERED:

1. That the certificate of authority and tariffs granted in case number TA-98-198 to Hebron Communications Corporation shall be canceled on February 22, 2000, unless otherwise ordered by the Missouri Public Service Commission.

2. That this case may be closed on February 23, 2000.

BY THE COMMISSION
