**THE NATIONAL HOUSING TRUST’S
APPLICATION TO INTERVENE**

COMES NOW, the National Housing Trust (“NHT”), and pursuant to 20 CSR 4240-2.075, applies to intervene in the above case. For its Application, NHT states:

1. The National Housing Trust (NHT) is a not-for-profit organization located in the District of Columbia at 1101 30th Street, NW, Suite 100A, Washington, DC 20007. NHT is dedicated to protecting and improving existing multifamily affordable housing so that low-income individuals and families can live in quality neighborhoods with access to opportunities. As a leading affordable housing policy institution, NHT works to ensure that low-income renters can benefit from energy efficient, healthy homes. NHT has long recognized that keeping energy costs low in multifamily housing is critical to maintaining affordable homes for low-income families. Together with its partners, NHT has been working to overcome the challenges to serving the multifamily housing sector with utility energy efficiency resources. In recognition of its leadership in this field, NHT was named the 2014 Andromeda Star award recipient by the Alliance to Save Energy.

2. NHT has been engaged in issues relating to affordable housing, energy efficiency, and low-income Missourians for several years, including in Spire’s territories. NHT has an interest in Spire’s recovery of revenues lost due to the COVID-19 pandemic, and its impact on Missouri’s most vulnerable consumers and their access to essential, affordable utility service. As

advocates for affordable housing and energy efficiency, NHT's interests are different than those of the general public and may be adversely affected by a final order arising from this case.

3. Granting NHT intervention will serve the public interest by assisting the Commission's record for decision in this case, and no party will be adversely affected by such intervention.

4. NHT has not yet taken a position in this case.

5. Pleadings, notices and other correspondence in this case should be directed to:
