MOTION TO CONSOLIDATE

COMES NOW Missouri-American Water Company (MAWC) and, as its *Motion to Consolidate*, states as follows to the Missouri Public Service Commission (Commission):

1. MAWC has filed an Application with the Commission for certificates of convenience and necessity associated with its possible purchase of the City of Stewartsville water and sewer assets. Two case numbers have resulted from these filings (WA-2022-0311 and SA-2022-0312).

2. Both the subject water and sewer matters concern operations owned and operated by Stewartsville. There are common questions of law and fact in the above-referenced cases and the consolidation of Files Nos. WA-2022-0311 and SA-2022-0312 would be administratively expedient in that it would simplify the filings to be made by MAWC and the other parties to these matters.
