**SECOND AMENDMENT TO PETITION OF TRACFONE WIRELESS, INC.
FOR DESIGNATION AS AN ELIGIBLE TELECOMMUNICATIONS
CARRIER IN THE STATE OF MISSOURI**

TracFone Wireless, Inc. (“TracFone”), by its counsel, amends its Petition for Designation as an Eligible Telecommunications Carrier in the State of Missouri (“ETC Petition”) with the following information concerning compliance with Missouri regulation 4 CSR 240-3.570(2)(B).

Section 240-3.570(2)(B)

TracFone commits to abide by the consumer code for wireless service recognized by CTIA. A copy of the current version of the CTIA consumer code was attached as Exhibit 2 to TracFone’s Amendment to its ETC Petition, filed on April 27, 2009. In addition, TracFone commits that after it is designated as an ETC it will file with the Commission any changes to the consumer code for wireless service included with its application or any subsequent code approved under Section 240-3.570(2)(B) within thirty (30) days of the changes. TracFone understands that the Commission shall allow interested parties thirty (30) days to provide comment as to whether TracFone should be required to commit to the proposed changes or should continue to abide by the consumer code for wireless service currently approved for TracFone.

CONCLUSION

Based on the foregoing, as well as on information contained in TracFone's ETC Petition, as amended, all of the applicable requirements for designation as an ETC have been met by TracFone. Accordingly, TracFone requests that the Commission promptly grant its petition for designation as an eligible telecommunications carrier.

Respectfully submitted,
