RE: In Re: Interconnection Agreement By and Between Local Access LLC and CenturyTel of Missouri, LLC d/b/a CenturyLink, and Spectra Communications Group, LLC d/b/a CenturyLink Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996
Case Number TK-2016-0186

Dear Mr. Woodruff :

CenturyLink submits this request for correction to case caption, as reflected above, in Case Number TK-2016-0186.

On January 19, 2016, CenturyLink filed an application requesting approval of a negotiated Interconnection Agreement between Local Access LLC and CenturyTel of Missouri, LLC d/b/a CenturyLink, and Spectra Communications Group, LLC d/b/a CenturyLink pursuant to Sections 251 and 252 of the Telecommunications Act of 1996. When the matter was established the case caption read correctly in that an Interconnection Agreement was entered into between the parties and filed with the Commission for review and approval. However, the final order issued in this docket, approving the agreement between the parties, reflects the agreement to be a Traffic Exchange Agreement, rather than an Interconnection Agreement.

CenturyLink hereby requests that the case caption for Case No. TK-2016-0186 be corrected and an amended order of approval be issued clarifying that the agreement entered into between the parties, and filed for Commission review and approval, is an Interconnection Agreement.
