**NOTICE OF DISMISSAL AND CLOSING OF CASE**

On April 18, 2001, the Director of the Division of Manufactured Homes, Recreational Vehicles, and Modular Units of the Missouri Public Service Commission filed its notice of satisfaction of complaint; attached was a certificate of service, showing that it had been served on all parties.

Commission Rule 4 CSR 240-2.080(3) requires that each pleading include a specific reference to the statutory provision or other authority under which relief is requested. Complainant's pleading did not comply with Commission Rule 4 CSR 240-2.080(3) in that it did not include a specific reference to the statutory provision or other authority under which relief is requested.

Complainant should have cited Commission Rule 4 CSR 240-2.116, which covers dismissal and states, in part:

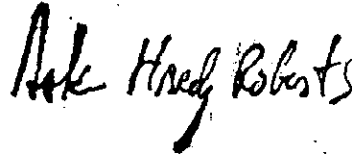

an applicant...may voluntarily dismiss an  
application...without an order of the commission at any time

before prepared testimony has been filed or oral evidence has been offered, by filing a notice of dismissal with the commission and serving a copy on all parties.

The Commission urges the Complainant to follow the Commission's rules of practice and procedure.

No testimony had been filed and no oral evidence been offered. The Missouri Public Service Commission will take notice of the dismissal of this case and will close the same.
