**BEFORE THE PUBLIC SERVICE COMMISSION

**NOTICE OF APPLICATIONS
FOR INTRASTATE CERTIFICATES OF SERVICE AUTHORITY
AND OPPORTUNITY TO INTERVENE**

YOU ARE NOTIFIED THAT each applicant listed in the schedules accompanying this notice has applied to the Commission for a certificate of service authority to provide intrastate telecommunications services. The certificate requested may be for provision of: 1) interexchange, 2) non-switched local exchange, or 2) basic local exchange telecommunications services, or a combination thereof under Sections 392.410 through 392.455¹. The Commission must find that the grant of service authority is in the public interest. § 392.440. Applications for authority to provide basic local services must comply with § 392.455. The Commission may classify a company as competitive if it finds that all the telecommunications services the company offers are competitive services. § 392.361.3. If the Commission's Staff makes a favorable recommendation and no request for hearing is filed, the Commission may act upon a verified application without hearing. State ex rel. Deffenderfer v. P.S.C., 776 S.W.2d 494 (Mo. App. 1989). The Commission ordinarily waives the application of the statutes and Commission rules listed below for competitive companies.

Notice of Correction

The following application was listed in the Notice of Applications issued November 10, 1998. The description of the local exchange authority requested stated "Applicant requests certificate authority to provide resold basic local exchange services to both residential and business customers throughout all the exchanges currently served by Southwestern Bell (SWBT), GTE Midwest, Inc. (GTE), and Sprint of Missouri (Sprint)." The notice inaccurately included this application in the Schedule of Applicants for Interexchange and Non-switched Local Exchange Service Authority. This application should have been included in the Schedule of Applicants for Basic Local and Non-switched Local Exchange Service Authority. The intervention deadline for this case is extended to December 24, 1998.
