## Order Directing Filing of Staff Recommendation

Issue Date: April 3, 2009

Effective Date: April 3, 2009

The Missouri Public Service Commission is issuing this order, directing its staff (“Staff”) to file a recommendation, to reflect the new case designation and the associated tariff. On April 2, 2009, Broadvox-CLEC, LLC, initiated this action by filing an application (“the Application”) for service authority to provide interexchange telecommunications services. By separate order issued this day, the Commission changed this action’s file number. Because the application includes a tariff effective on May 18, 2009, the Commission will order Staff to file a recommendation on April 24, 2009.

## THE COMMISSION ORDERS THAT:

1. No later than April 24, 2009, the Commission's Staff shall file its recommendation as to the Application.

2. This order shall become effective immediately upon issuance.
