

BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI

In the matter of the application of  
SOUTH COUNTY SEWER COMPANY for per-  
mission, approval, and a certificate  
of convenience and necessity auth-  
orizing it to construct, install,  
own, operate, control, manage, and  
maintain a sewer system for the public  
located in an unincorporated area in  
St. Louis County, Missouri.

CASE NO. SA-79-14

APPLICATION

Comes now South County Sewer Company (Applicant), pursuant to Section 393.170, RSMo 1969, and CSR 240-2.170, and states as follows:

1. Applicant is a Missouri corporation duly organized and existing under the laws of the State of Missouri, with its principal office and place of business located at 411 Main Street, Fenton, Missouri 63026. It is a public utility rendering sewer service to the public under the jurisdiction of the Commission. A copy of its Certificate of Incorporation and Articles of Incorporation have previously been filed with the Commission in Case No. 17,551.

2. Communications in regard to this application should be addressed to:

James R. Rowland, President  
South County Sewer Company  
411 Main Street  
Fenton, Missouri 63026

Dale E. Sporleder, Esq.  
614 Central Trust Building  
Jefferson City, Missouri 65101

3. Applicant requests permission, approval, and a certificate of public convenience and necessity to install, own, acquire, construct, operate, control, manage, and maintain a sewer system for the public in an unincorporated area in St. Louis County, Missouri, as set forth on the map attached to this application as Exhibit 1, and legally described by metes and bounds attached to this application as Exhibit 2.

4. The feasibility study will be submitted to the Commission prior to the hearing on this matter.

5. There are no municipalities located within the proposed areas. Applicant has previously complied with all legal requirements of the St. Louis County Court by obtaining a franchise to operate in said county.

6. Said sewer system will meet all of the requirements of the Commission and the Department of Natural Resources.

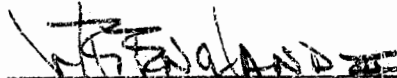

7. There are no other public utilities or governmental bodies being operated or rendering sewer service within the area proposed to be served.

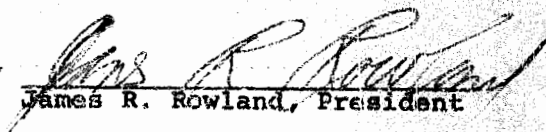

8. The area requested is rapidly being developed into subdivisions by developers and plans are being made to build residential homes and other establishments within the area, all of which will need adequate sewer service. Therefore, a public need exists for adequate sewer service within the area proposed to be served and the public convenience and necessity will be promoted by the granting of the authority herein requested.

9. The names and addresses of ten (10) residents of the proposed service area and/or owners of land in the proposed service area are attached as Exhibit 3.

WHEREFORE, Applicant requests the Commission to grant it permission, approval, and a certificate of convenience and necessity authorizing it to install, acquire, build, construct, own, operate, control, manage, and maintain a sewer system for the public within the area referred to in paragraph 3 hereof and for such further orders as the Commission may deem meet and proper.
