Re: Company Name Change: IntelPeer Virginia, Inc. to Airus, Inc.

Dear Mr. Reed,

Please accept this letter as IntelPeer, Inc.'s request to change its corporate name to Airus, Inc. IntelPeer, Inc. is authorized to provide local exchange telecommunications services and intrastate interexchange services pursuant to authority granted by the Commission in Docket No. LA-2010-0170 on February 12, 2010. This name change is not an element of a larger transaction. No changes have been made to the Company's corporate organization or ownership. Moreover, the change of the Company's name does not affect the rates, terms and conditions under which IntelPeer's customers would receive service. Importantly, IntelPeer currently does not have end user communications customers in the State of Missouri. The Company requests that its authorization in Missouri be reissued or otherwise revised to reflect its new name.

Airus is a Delaware corporation, registered with the Missouri Secretary of State to transact business as a foreign corporation. A copy of the Company's amended formation documents is appended as Attachment 1. A copy of the Company's amended foreign corporate qualification document is also provided in Attachment 1.

A revised copy of the Company's approved tariffs in Missouri is appended as Attachment 2. The tariff material mirrors what is currently on file with the Commission.

The Company information should be amended to the following:
