WA-78-170

APPLICATION TO INTERVENE

Comes the Turkey Mountain Estates Home Owners Association, Shell Knob, Missouri, 65747, by their attorneys, FAIN & FAIN, 333 Madison Street, Jefferson City, Missouri 65101, and states:

1. That the members of the above named association, a non-profit homeowners group, are residences of the area which is involved in the area which Ozark Mountain Water Co. is attempting to certificate. On August 17, 1978, Turkey Mountain Estates Homeowners Association filed its application to intervene in Case No. WA-78-170.

2. It has now learned that there are two companion cases, Case No. WF-78-171 and Case No. WF-78-172 in which Lakeside Investment Company and Turkey Mountain Estates, Inc. are attempting to purchase the stock of Ozark Mountain Water Company.

3. Turkey Mountain Estates Homeowners Association also just learned that these two cases have been consolidated with Case No. WA-78-170.

4. Immediately upon learning of such, these Applications to Intervene have been filed with the Missouri Public Service Commission.

5. The Turkey Mountain Estates Homeowners Association asks leave to intervene in both of the companion cases which have been consolidated for all purposes because their interests are peculiar to themselves and different from the general public in the cases in which these other corporations seek to hold the ownership in Ozark Mountain Water Company. The Homeowners Association further states that its position will be in opposition to the relief prayed for in Case No. WF-78-171 and Case No. WF-78-172.

Wherefore, the Turkey Mountain Estates Homeowners Association seeks leave to intervene for all purposes in Cases No. WA-78-170, WF-78-171, and WF-78-172, and that they be allowed to participate

therein, and that the rule be relaxed on intervention accordingly.
