RESPONSE TO MOTION TO AMEND AND  
SUPPLEMENTAL RECOMMENDATION REGARDING APPLICATION**

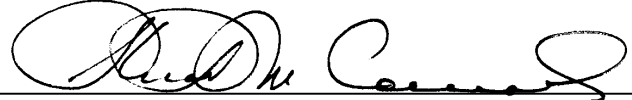

COMES NOW SEDALIA INDUSTRIAL ENERGY USERS' ASSOCIATION (hereinafter SIEUA) and for its Supplemental Recommendation and further in response to the Motion for Leave to Amend Application filed herein on April 27, 2004 by Aquila Networks - MPS states:

1. Inclusion of American Compressed Steel in the group of transportation customers eligible for refund resolves SIEUA's limited concerns with Aquila's Application. We concur in the recalculation of the refund amount that is made in the Motion for Leave to Amend Application and have no objection thereto.

2. SIEUA has no objection to the Application as amended, nor to Aquila's request for expeditious approval of the Amended Application.

Respectfully submitted,

FINNEGAN, CONRAD & PETERSON, L.C.
