**AG PROCESSING INC A COOPERATIVE  
COMMENTS ON STAFF REPORT**

Ag Processing Inc a Cooperative ("AGP") previously responded as directed by the Commission to Staff's suggestion of mediation. We indicated in that response that, while generally favoring alternative dispute resolution, we did not feel in the circumstances that it would have merit. Accordingly we recommended that the case stay on the litigation track.

We have reviewed the Staff Report and Recommendation in other particulars. We find that we are in substantial agreement with the recommendation and thus have no useful comment to offer thereon.

Respectfully submitted,

FINNEGAN, CONRAD & PETERSON, L.C.
