OF THE STATE OF MISSOURI**

In the Matter of Spire Missouri Inc. d/b/a	)	
Spire’s Application for Approval of a	)	Case No. GO-2022-0327
Revised Cost Allocation Manual	)	

**JOINT STATUS REPORT**

Spire Missouri Inc. (“Spire Missouri” or the “Company”), Staff of the Missouri Public Service Commission (“Staff”), the Office of the Public Counsel (“OPC”), and the Midwest Energy Consumers Group (collectively, the “Parties”) respectfully submit this Joint Status Report in the above-captioned docket and request this matter be set aside for forty-five (45) days, stating as follows:

1. On May 24, 2022, the Missouri Public Service Commission (“Commission”) opened Case No. GO-2022-0327 for purposes of reviewing Spire Missouri’s Draft Cost Allocation Manual (“CAM”) and motion for approval of the CAM, both of which were filed in Case No. GW-2018-0367.

2. After allowing time for responses to the initial filing, a procedural conference was held on July 26, 2022. The Parties agreed to set aside this matter for ninety (90) days to discuss the CAM and a possible resolution. Since then, the parties have requested additional extensions to discuss a resolution. The latest extension contemplated a status update being filed on August 25, 2023.

3. The Parties are still committed to and working towards a resolution in this docket, with Spire circulating edits on the draft CAM on August 23, 2023. Therefore, the Parties are requesting another extension of forty-five (45) days, which would make the next status update due on October 9, 2023.

4. **WHEREFORE**, the Parties respectfully request that the Commission issue an order setting the next status update to be due in forty-five (45) days.

Respectfully submitted,

*/s/ J. Antonio Arias*
