SUPPLEMENT TO JOINT APPLICATION

COME NOW The Empire District Electric Company ("Empire"), by and through counsel, and as a supplement to the Joint Application, states as follows to the Missouri Public Service Commission (the "Commission"):

1. On April 17, 2009, the Staff filed its Status Report in this case. Therein, the Staff indicated that Staff's investigation found that Lot 313 of Lake Taneycomo Acres (Exhibit A3) was part of a previous territorial agreement between Empire and White River (under the Second Territorial Agreement, which was approved in Case No. EO-96-176).

2. In order to address this issue, Empire and White River Valley Electric Cooperative have amended the agreement that is the subject of this case and created an addendum to the Second Territorial Agreement in order to remove Lot 313 from the scope of the Sixth Territorial Agreement and include it within the scope of the Second Territorial Agreement.¹

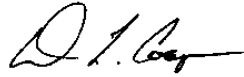

3. Therefore, attached hereto as a supplement to the Joint Application, is the First Amendment to the Sixth Territorial Agreement (**Appendix A**).

¹ The Addendum to the Second Territorial Agreement will be filed in a separate case.

WHEREFORE, Empire respectfully requests that the Commission consider this Supplement to the Joint Application and, thereafter, issue its report and order: (a) finding that the designation of electric service areas is not detrimental to the public interest and approving the Applicants' Sixth Territorial Agreement, as modified by the First Amendment thereto; and (b) authorizing Applicants to perform in accordance with the terms and conditions of the Agreement.

Respectfully submitted,
