Case No. TA-2000-665

MOTION FOR EXTENSION OF TIME

COMES NOW PathNet, Inc. ("PathNet") and hereby requests an extension of time to file a proposed procedural schedule. In support of its Motion, PathNet states as follows:

1. PathNet applied to the Missouri Public Service Commission ("Commission") on April 19, 2000, for a certificate of service authority to provide basic local, local exchange and exchange access telecommunications services in portions of the state of Missouri under Sections 392.361 and 392.420-.430, RSMo 1994, and Sections 392.410 and 392.450, RSMo Supp. 1996.

2. On May 4, 2000, Southwestern Bell Telephone Company ("SWBT") filed an application to intervene.

3. On May 30, 2000, the Commission granted SWBT intervention, and ordered the parties to file a proposed procedural schedule no later than 3:00 PM on June 30, 2000.

4. Since that time, counsel for PathNet and counsel for SWBT have conferred with each other and with the Commission regarding the possibility of entering into a Joint Stipulation and Agreement resolving SWBT's concerns about the access rates to be charged by PathNet.

5. PathNet and SWBT have drafted a proposed Joint Stipulation and Agreement which is being reviewed by the parties and will then be submitted to counsel for the Commission for review.

6. PathNet believes that the parties will be able to determine whether resolution of this matter is possible without resort to an adversarial proceeding by Monday, July 10, 2000.

7. Accordingly, PathNet, concurred in by counsel for SWBT and counsel for the Commission, respectfully requests an extension of time from the Commission for the parties to file a proposed procedural schedule in the event that they cannot resolve their dispute regarding access rates.

WHEREFORE, PathNet, Inc., respectfully requests an extension of time for the parties to file a proposed procedural schedule no later than 3:00 PM on July 10, 2000.

Respectfully submitted,

**GREENSFELDER, HEMKER & GALE,
P.C.**
