

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Southern Union Company)	
d/b/a Missouri Gas Energy's)	File No. GE-2011-0282
Application for Waiver/Variance.)	

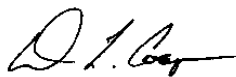

MGE'S ADDITIONAL FILING CONCERNING PROCEDURAL SCHEDULE

COMES NOW, Southern Union Company, d/b/a Missouri Gas Energy ("MGE" or "Company"), and states as follows to the Missouri Public Service Commission ("Commission"):

On October 13, 2011, in response to the Commission's order, MGE and the Staff filed separately proposed procedural schedules in this matter. The procedural schedule proposed by MGE was based on: 1) a belief that the evidence to be adduced in this proceeding will not be complicated or time-consuming to produce; and, 2) a desire that MGE have at least some opportunity to reflect the Commission's decision in this matter on MGE's calendar year 2011 books (which close in mid- to late-February of 2012). Nevertheless, MGE does not believe the Commission should be required to devote time and attention to deciding this procedural issue. MGE therefore advises the Commission of its willingness to adopt the procedural schedule proposed by the Staff of the Commission.

WHEREFORE, MGE respectfully requests that the Commission consider this additional filing and issue such orders as it shall believe to be reasonable and just.

Respectfully submitted,
