**SNGMO’S CORRECTED MOTION FOR LEAVE TO AMEND APPLICATION**

Comes now Summit Natural Gas of Missouri, Inc. (formerly known as Missouri Gas Utility, Inc.) (SNGMO or Applicant), and, in order to correct its Motion for Leave to Amend Application, states as follows to the Missouri Public Service Commission’s (Commission):

1. On May 21, 2012, SNGMO filed a Motion for Leave to Amend Application. The purpose of that pleading was to amend SNGMO’s Application to reflect certain proposed rates for the subject service area (rather than existing rates, plus a surcharge). The Motion was granted by the Commission on May 24, 2012.

2. After further review, it has become apparent that two of the rates included in the Motion for Leave were incorrect. The decimal point in the rates for the “CS Class Commodity Charge” and for “LVS Class Commodity Charge” was misplaced. The following listing of proposed rates corrects that decimal point placement as to the “CS Class Commodity Charge” and the “LVS Class Commodity Charge.”

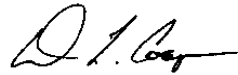

GS Class Customer Charge	\$15.00/month
GS Class Commodity Charge	\$0.950/CCF
CS Class Customer Charge	\$30.00/month

CS Class Commodity Charge	\$1.00/CCF
LVS Class Customer Charge	\$100.00/month
LVS Class Commodity Charge	\$1.00/CCF

4. SNGMO apologizes for any inconvenience this may have caused the parties and requests that the above-described correction be recognized.

WHEREFORE, SNGMO respectfully requests that the Commission issue such orders as it should believe to be reasonable and just.

Respectfully submitted,

---
