Case No. EM-97-305

**AMENDMENT TO APPLICATION**

COMES NOW Kansas City Power & Light Company (KCPL), and amends its Application in the above-captioned matter pursuant to 4 CSR 240-2.080 (14) as follows:

1. On or about February 6, 1997, KCPL filed an Application with the Commission seeking authority to sell to the City of Kansas City, Missouri its existing streetlighting system located within the City.

2. On or about February 11, 1997, KCPL received a letter from Deputy Chief Administrative Law Judge, Thomas H. Luckenbill, indicating that KCPL's Application was defective for failure to include a copy of the contract or agreement of sale with the Application. At the time the Application was filed, KCPL believed it was not required to file a copy of the sale agreement pursuant to §393.140(11) RSMo, which exempts state, municipal or federal contracts from Commission review.

3. As explained in Judge Luckenbill's letter, the above-cited statute is limited to "contracts or agreements relating to rates, charges, or service used."

4. Therefore, KCPL hereby amends its Application to include a copy of the Streetlight Agreement, attached hereto as Appendix 3. In all other respects, KCPL's Application remains unchanged.

WHEREFORE, KCPL respectfully requests that the Commission issue an Order authorizing and approving the sale of KCPL's streetlighting system, as set out in its Application and amended herein, to the City.

Respectfully submitted,

Susan B. Cunningham
