In the Matter of the Requests for Customer)
Account Data Production) Case No. EO-2024-0002

**APPLICATION TO INTERVENE OF
MIDWEST ENERGY CONSUMERS GROUP**

COMES NOW, the Midwest Energy Consumers Group, (“MECG”) and pursuant to 20 CSR 4240-2.075, applies to intervene in the above case. For its Application, MECG states:

1. Midwest Energy Consumers Group (“MECG”) is an incorporated entity representing the interests of large commercial and industrial users of electricity, water, and natural gas throughout the State of Missouri including in the areas served by Evergy Missouri, Ameren Missouri, and Liberty-Empire.
2. On June 30th, 2023, Evergy Missouri moved to establish this working docket to address data retention and provision of information sought by the Commission Staff in Evergy’s most recent rate cases (ER-2022-0129 and ER-2022-0130). MECG was a party to those cases and a signatory to the Stipulation and Agreement containing the data retention provisions causing Evergy to file this docket. The matters to be considered in this docket and the Commission’s determinations thereon, if any, could have a direct and significant impact on the cost of service of the large commercial and industrial customers.
3. As a representative of large user customers of Evergy Missouri, and as a signatory to the underlying Stipulation and Agreement, the MECG has a direct and immediate interest in these proceedings that is different from that of the general public. While MECG does not at this time have sufficient information to assert a position in this case, it reserves the right to assert positions

after they have had an adequate opportunity to examine the record, and any documentation of other parties filed herein.

4. Pleadings, notices and other correspondence in this case should be directed to undersigned counsel.

WHEREFORE, MECG respectfully requests that the Commission issue its order granting its Application to Intervene and that it be made a party hereto with all rights to participate in this matter.

Respectfully,

/s/ Tim Opitz
