MOTION TO EXTEND BRIEFING SCHEDULE

COMES NOW the Midwest Energy Consumer’s Group and the Office of the Public Counsel, and for their Motion to Extend Briefing Schedule respectfully state as follows:

1. On October 20, 2021, the Commission issued its *Order Concerning Exhibits, Matters for Official Notice, and Briefing Schedule*. In that Order the Commission set a deadline for Initial Briefs on November 12, 2021.

2. The final day of the evidentiary hearing in this matter was October 19. That said, however, the final transcript did not become available until November 5, 2021.

3. Given the brief period of time between the completion of the transcript in this matter and the currently scheduled date for Initial Briefs, MECG and OPC ask that the Commission extend the date for Initial Briefs until November 19, 2021.

4. MECG and OPC have consulted with the other parties to this case and have been informed that all of them either support or do not oppose this extension.

WHEREFORE, MECG and OPC respectfully request that the Commission grant their request to extend the filing date for Initial Briefs in this matter until November 19, 2021.

Respectfully submitted,
