RECITALS

1. City and Cooperative are authorized by law to provide electric service within the State of Missouri, including all or portions of Bates County.

2. City now serves certain customers, which are identified in Exhibit A attached to this Agreement, and the parties agree that these customers would be more reliably served by the Cooperative and thus benefit the public interest.

3. The Facilities are situated upon certain public rights-of-way, easements, and fee interests throughout the City (referred to as "ROW").

4. City by 2021 Ordinance Number 1728, as approved on April 6 by two-thirds of the voters of City in 2021 Question 2, has authorized the City to sell its City-owned electrical distribution system to Cooperative and to grant a franchise to the Cooperative to engage in the sale, supply, and delivery of electric services at retail within the City, including the right to use and occupy the ROW for the location, construction, erection, operation, maintenance of said system.

5. In order to implement the ordinance and question, City and Cooperative desire to enter into this Agreement, which shall constitute a territorial agreement as authorized by Section 394.312, RSMo, an agreement for the change of electrical suppliers from City to Cooperative as authorized by Section 393.106, RSMo and by Section 394.080, RSMo, a contract for electrical supply

6. City desires to sell and convey the Facilities, and to grant those franchise rights described herein to Cooperative; and Cooperative desires to purchase and accept the Facilities, and those franchise rights described herein, all pursuant to the terms, conditions and provisions of this Agreement.

ARTICLE II: AGREEMENTS TO TRANSFER AND ACCEPT FACILITIES

A. Facilities. City agrees to sell and convey to Cooperative, and Cooperative agrees to purchase and accept from City, on the Closing Date all of City's Facilities and inventory as set forth and described on Exhibit B. On the Closing Date, Cooperative shall pay to City the purchase price for the Facilities and inventory in the amount of One Million One Hundred Thousand Dollars (\$1,100,000.00), and the City shall deliver a bill of sale to Cooperative in the form attached hereto as Exhibit C ("Bill of Sale"). Payment shall be made by wire transfer of immediately available funds to an account to be specified by City.

B. Territorial Agreement and Franchise Rights. In consideration of the franchise rights in the ROW and/or the right to engage in the business of selling retail electrical service within the City, and other good and valuable consideration, Cooperative agrees to collect from the Consumers and pay the City's applicable franchise fee or tax to the City and agrees not to contest or challenge any such franchise fee or tax. On the Closing Date, City shall transfer and convey to Cooperative for a period of twenty (20) years ("Franchise Period"), the exclusive right to provide and sell retail electric service to all existing and future Structures located within the City's corporate boundaries as shown in Exhibit D attached hereto, and shall transfer and convey to the Cooperative the non-exclusive right to use and occupy the ROW for the purpose of location,

construction, erection, operation, maintenance, repair, and replacement of the Facilities, including electric, telecommunications, or other facilities operated by the Cooperative or its subsidiaries and affiliates, subject to reasonable ordinances of the City now or hereafter enacted pertaining to building code, permitting and inspection, repair, indemnity, insurance, relocation, and bonding requirements generally applicable to utilities using and occupying the ROW.

City and Cooperative agree to cooperate in good faith by filing a joint petition to obtain a Final Order of the Commission approving the transfer to Cooperative of retail electric service rights and obligations pursuant to the provisions of 394.312, RSMo, and if approved Cooperative shall be authorized to operate within the corporate municipal boundaries of City. The City and Cooperative further agree that, if, as, and when the City's boundaries may subsequently be expanded through annexation the franchises and exclusive service area granted herein shall extend to said annexed area, however, Cooperative shall not have the right to serve structures within the annexed area served by other electric power suppliers on the effective date of such annexation.

Cooperative and City shall be equally responsible for the filing fees and costs assessed by the Commission for obtaining approval of this Agreement for Change of Electrical Suppliers. Any expenses incurred will be split equally between Cooperative and City.

C. Change of Electrical Suppliers. Cooperative, on its behalf, and City, on behalf of its citizens, residents, and customers pursuant to Ordinance Number 1728, by the Board of Aldermen on January 13, 2021, and April 6, 2021, voter approval on Question 2, agree to the change of electrical suppliers from City to the Cooperative. II, section B) of this Agreement; and (ii) authorize a change in retail electrical supplier service from City to Cooperative for the Structures served by the Facilities (Art. II, section C).

If Commission approval is subjected to judicial review, closing shall not take place unless and until Commission orders are Final Orders. In the event of judicial review, Cooperative and City agree to cooperate to have any appeal, or application for writ of certiorari, or injunctive action challenging Commission approval to be conditioned upon an adequate bond or security covering or protecting the City, the City's customers, and the Cooperative; and

B. Two-thirds majority voter approval of Question 2.

ARTICLE IV: TAXES

ARTICLE V: TITLE AND RISK OF LOSS

Title and risk of loss of the Facilities shall pass at 12:00 a.m. (midnight) on the Closing Date. The parties interpret this provision to mean that title and risk of loss passes on the first minute of the Closing Date, even though the actual closing will likely occur later on the same date.

ARTICLE VI: CLOSING AND TRANSFER OF FACILITIES, EASEMENTS, AND CUSTOMERS

1. **Closing.** Closing shall be effective at 12:00 a.m. on July 28, 2021.

2. **Duties at Closing.** On the Closing Date, City shall (i) deliver the Bill of Sale to the Facilities; and (ii) deliver the release of the Facilities from all liens created by City which are of a definite or ascertainable amount which may be removed by the payment of money. Cooperative shall wire the purchase price as described in Article II.

Notwithstanding the foregoing, City shall have no obligation to release the following liens and encumbrances from the Facilities: (1) private and public utility and drainage and other non-exclusive easements; (2) rights-of-way for roads, alleys, streets, and highways; (3) zoning regulations; and (4) building, lines and use occupancy restrictions, conditions and covenants. In addition, at Closing, City shall permit Cooperative to make temporary use of City's existing substation site ("Existing Substation"), and access thereto, to provide power while existing infrastructure is being converted. Thereafter, the City shall retain ownership and resume control of the substation site.

3. **Duties After Closing.** City shall establish a final meter reading for the Customers to be served by the Cooperative prior to 12:00 a.m. (midnight) on

the Closing Date. Thereafter new meters will be installed, and no further readings of the City's meters will be possible.

4. **Recording Fees.** Each party shall bear the costs for recording fees for the instruments that it desires to record.

5. **Possession.** Cooperative shall have the right of possession of the Facilities upon transfer of the title and risk of loss of such Facilities to Cooperative.

6. **Customers.** The Customers to be transferred are supplied with electrical power through facilities of the City serving customer Structures. The Customers shall be transferred at 12:00 a.m. (midnight) on the Closing Date. City shall issue to each Customer served by the Facilities transferred pursuant to this Agreement, a final bill, reduced by any applicable deposit.

7. **Accounts Receivable.** City shall retain all accounts receivable of customers related to the City's electric service before the Closing Date. Cooperative will remit any such amounts collected back to City. Cooperative will not render disconnection of electric service to assist City in collecting on accounts receivable of customers related to the City's electric service before the Closing Date. Cooperative shall retain all accounts receivable of Customers related to the Cooperative's electric service following the Closing Date. Cooperative shall be entitled to receive all money paid to Cooperative on said accounts for services rendered after Closing Date.

8. **Substation Use.** At Closing, the City shall permit Cooperative to make temporary use of City's existing substation site ("Existing Substation"), and access thereto, to provide power while existing infrastructure is being converted. City shall maintain access to Existing Substation; however, City will not interfere with any functionality and services of substation while Cooperative utilities such site. Cooperative shall not utilize Existing Substation for longer than forty-eight (48) months. If Cooperative utilizes Existing Substation longer than forty-eight (48) months, Cooperative shall pay City five-hundred dollars (\$500.00) on a

monthly basis until such use is terminated. Thereafter, the City shall retain ownership and resume control of the substation site.

ARTICLE VII: REPRESENTATIONS AND WARRANTIES

1. **By City.** City represents and warrants to Cooperative and agrees with Cooperative as follows:

- A. **Title.** City warrants to Cooperative that City will transfer to Cooperative good and marketable title to Facilities transferred under this Agreement, free and clear of any security interest, contracts, liens, encumbrances, or adverse claim of any third party, except as provided in Section VI.2 of this Agreement. The City makes no representations or warranties regarding the status or condition of title to the ROW or any portion thereof; however, if the Cooperative identifies a defect in title which would prevent the Cooperative from exercising its non-exclusive franchise rights over a particular portion of the ROW, the City shall reasonably cooperate with the Cooperative's efforts to remove such defect, at no cost to the City.
- B. **Licenses, Permits and Approvals.** City will have applied for and/or obtained in due time before the Closing Date, all necessary authorizations, licenses, permits, approvals and other official consents as may be required under law and regulation for City's performance of its obligations under this Agreement.
- C. **Fitness of Property.** The Facilities transferred and franchise rights in the ROW granted pursuant to this Agreement are exchanged "AS IS," with all faults, and **CITY DISCLAIMS ALL WARRANTIES OF ANY KIND, WHETHER STATUTORY, WRITTEN, ORAL, EXPRESSED, OR IMPLIED WITH REGARD TO THE FACILITIES AND ROW, INCLUDING ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR**

PURPOSE, AND WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. In no event shall City be liable for any damages including, but not limited to, special, direct, indirect or consequential damages arising out of, or in connection with, the use or performance of the Facilities or ROW. Any description of the Facilities contained in this Agreement is for the sole purpose of identifying the Facilities, is not a part of the basis of the bargain, does not constitute a warranty that the Facilities shall conform to that description, and does not constitute a warranty that the Facilities will be fit for a particular purpose. No affirmation of fact or promise made by City or Cooperative, not contained in this Agreement, shall constitute a warranty that the Facilities or ROW will conform to the affirmation or promise. Notwithstanding the foregoing, City shall obtain and assign to Cooperative all transferable manufacturer's warranties applicable to all Facilities transferred under this Agreement.

2. **By Cooperative.** Cooperative represents, warrants, and covenants to City that Cooperative will have applied for and/or obtained in due time before the Closing Date under this Agreement, all necessary authorizations, licenses, permits, approvals and other official consents as may be required under law and regulation for Cooperative's performance of its obligations under this Agreement, and that by the Closing Date it will have made arrangements to secure sufficient capacity, energy, transmission service, ancillary services and any other services needed to be able to furnish reliable retail electric service to the City's customers. Cooperative has inspected the Facilities and ROW and, except as otherwise provided herein, agrees to accept them in their present AS IS condition with all faults, and agrees that the purchase price has been adjusted to compensate the Cooperative for the risks associated with purchasing the property on an AS IS condition with all faults. Cooperative will not assume any prior power contracts between City and any other entity.

ARTICLE VIII: RECORDS

Each party shall provide reasonable access to the other party, the other party's accountants, counsel and other representatives, during normal business hours from the date of this Agreement to the Closing Date, access to books, records, contracts and commitments of such party (other than materials subject to a valid claim of privilege or confidentiality) related to this transaction and shall furnish the other party during such period with information concerning said party's affairs as the other party may reasonably require in order to consummate the transactions contemplated by this Agreement. If, after closing, any controversy or claim by or against either party arises out of this transaction or the subject matter of this Agreement, either party shall make available to the other, copies of such relevant records as may reasonably be requested pertaining to this Agreement.

ARTICLE IX: FITNESS OF PROPERTY

City shall repair and maintain the Facilities in good state of repair through the Closing Date, ordinary wear and tear excepted, and City shall not dispose of any of such items except in the normal course of business without the consent of Cooperative. If, between the time this Agreement is executed and the Closing Date, a significant portion of the Facilities is damaged or destroyed beyond normal wear and tear, Cooperative and City shall attempt in good faith to achieve a mutually satisfactory agreement for the repair and restoration of such Facilities. If any portion of the Facilities is taken through condemnation during the period between execution of this Agreement and the Closing Date, Cooperative shall be entitled to deduct an amount equal to the condemnation award(s) from the purchase price.

ARTICLE X: NOTICES

ARTICLE XI: FORCE MAJEURE

1. **Force Majeure.** Neither party shall be liable under this Agreement for damages occasioned by delay in performance or failure to perform its obligations under this Agreement if the delay or failure results from causes beyond its reasonable control ("Force Majeure Event") and without the fault or negligence of the party so failing to perform or its contractors or agents. This paragraph shall not extend the time for payment of the purchase price for the Facilities.

2. **Notice.** The party whose performance is affected shall immediately notify the other party indicating the cause and expected duration of the event of force majeure and the delay which it will cause, and it shall continue to keep the other party informed of the situation.

3. **Obligations of Affected Party.** The party whose performance is affected by a Force Majeure Event shall use all reasonable efforts to avoid or minimize the consequences of delay or failure, shall continue with its obligations after the cause of the delay or failure ceases to exist, but shall not be required to settle a strike, work stoppage, or other labor disputes.

ARTICLE XII: TERMINATION

This Agreement may be terminated by mutual written agreement of the parties before the Closing Date. If the parties elect to terminate this Agreement, they shall jointly advise the Commission in writing of the Agreement's termination. If an application for Commission approval of the Agreement remains pending before the Commission when it is terminated, the parties also shall take all other steps as are reasonable under the circumstances to obtain Commission dismissal of the application. Each party shall bear the costs and expenses it incurs in connection with this Agreement, and, except as expressly provided in this Agreement, neither party (nor any of its officers, directors, employees, agents, attorneys, representatives, or members) shall be liable to the other party following an agreed-upon termination for any costs, expenses, or damages; nor shall either party have any liability or further obligation to the other party in the event of an agreed-upon termination of this Agreement.

ARTICLE XIII: NO ASSUMPTION OF LIABILITIES

City acknowledges that Cooperative is acquiring Facilities and franchise rights in the ROW without any assumption of City's liabilities accruing prior to the Closing Date, except as expressly assumed in writing before the Closing Date by Cooperative after full disclosure of the nature of the liability by City. City shall fully and timely satisfy its liabilities not assumed by Cooperative under this Agreement, but relevant to the transactions contemplated under this Agreement, or the subject matter of this Agreement, including, without limitation, all and any liabilities which shall have accrued before the Closing Date.

ARTICLE XIV: MISCELLANEOUS

1. **Amendments.** No modification, amendment, deletion or other change in this Agreement shall be effective for any purpose, unless specifically set forth in writing and signed by both Parties. No modification, amendment, deletion or other change in the Territorial Agreement or Change of Electrical Supplier provisions of this Agreement shall be effective for any purpose, unless it is approved by the Commission.

2. **Headings.** Headings and titles contained in this Agreement are included for convenience only and shall not be considered for purposes of interpretation of this Agreement.

3. **Joint Application and Impact of Commission or Court Orders.** Each party shall cooperate with the other in obtaining all necessary permits and approvals of regulatory authorities granting all permits and approvals and shall do all such things as are reasonably required to permit the completion of the transactions contemplated in this Agreement in an orderly, efficient and timely manner. The parties shall make a good faith effort to file as soon as possible after execution of this Agreement, for Commission approval of the Territorial Agreement and Change of Electrical Supplier provisions of this Agreement. If the Commission does not approve such provisions of this Agreement, or if any part of this Agreement is declared invalid or void by a court or agency of competent jurisdiction, then the entire Agreement shall be terminable by either party.

4. **Survival.** Obligations under this Agreement, which by their nature would continue beyond the termination, cancellation, or expiration of this Agreement, shall survive termination, cancellation, or expiration of this Agreement. All representations and warranties, and rights and duties under this Agreement, except for those that are fully executed at the closing, shall survive the closing.

5. **Expenses.** Except as otherwise expressly provided in this Agreement, all expenses incurred by the parties to this Agreement in connection

with or related to the authorization, preparation and execution of this Agreement and the closing of the transactions contemplated by this Agreement, including, without limitation, the fees and expenses of agents, representatives, counsel and accountants employed by such party, shall be borne solely and entirely by the party which has incurred them.

6. **No Waiver.** If a party has waived a right under this Agreement on any one or more occasions, such action shall not operate as a waiver of any right under this Agreement on any other occasion. Likewise, if a party has failed to require strict performance of an obligation binding on the other party under this Agreement, such action shall not release the other party from any other obligation under this Agreement or the same obligation on any other occasion.

7. **Governing Law.** This Agreement shall be governed by, construed, and enforced in accordance with, and its validity shall be determined under, the laws of the State of Missouri.

8. **Agreement Binding.** This Agreement shall bind and inure to the benefit of the parties, and their respective successors and assigns, but shall not be assignable by either party without the prior written consent of the other party.
