C. **Appendices.** This Agreement shall include all appendices, and, in the event of a conflict between this Agreement and any appendix, the appendix shall prevail as the intent of the signatories. All appendices to this Agreement are incorporated into this Agreement and expressly made a part hereof. In the event of a conflict between this Agreement, including any appendices, and the Transmission Tariff, the Transmission Tariff shall prevail as the intent of the signatories.

D. **Purpose of Authorization.** The authorization granted by the Owners to the Midwest ISO, subject to the terms of this Agreement, shall be sufficient to commit the operation and control of the Transmission System to the Midwest ISO for the following three purposes: (i) providing non-discriminatory open access transmission service over the Transmission System to transmission customers, including the Owners, who may lawfully request such service pursuant to a single tariff filed with the FERC; (ii) receiving funds associated with transmission services from transmission customers solely as agent for the Owners or their designee(s) and distributing such funds to the Owners or their designee(s) in accordance with this Agreement and Appendix C to this Agreement; and (iii) being responsible for regional system security, in accordance with the provisions of this Agreement. Such authorization shall be effective on the Transfer Date. With regard to the Non-transferred Transmission Facilities, the Midwest ISO shall have such authority as is provided for in the Agency Agreement attached hereto as Appendix G. During the Transition Period, as defined in Appendix C to this Agreement, the Owners reserve for

Article Two

themselves the right to use their own transmission facilities to the extent required to transmit electric power and energy to their customers being served under bundled rates comparable to firm service under the Transmission Tariff.

E. **Title to Remain with Owners.** Legal and equitable title to the respective properties comprising the Transmission System, including all land and land rights, and to all transmission facilities which they may hereafter build or acquire, in accordance with Appendix B to this Agreement, shall remain with each respective Owner (unless the Owner transfers title to another entity), and is not changed by this Agreement. The respective Owners shall retain all rights incident to such legal and equitable title, including, but not limited to, the right, subject to applicable federal or state regulatory approvals, to build, acquire, sell, dispose of, use as security, convey any part of their property, or use such property for purposes other than providing transmission services (such as the use of such property for telecommunications purposes), provided that the exercise of any such rights shall not impair the reliability of the Transmission System.

F. **Bylaws.** The Bylaws of the Midwest ISO shall at all times be consistent with this Agreement and any amendments thereto. Appendix F to this Agreement shall be the initial Bylaws of the Midwest ISO.

II. Name, Location, And Start-up Functions.

and all kinds of instruments, acquire and convey real or personal property, sue and be sued, and conduct business, all as provided by applicable law and pursuant to the terms and conditions of this Agreement.

B. Principal Office. The principal office of the Midwest ISO shall be determined by the initial Board of Directors.

C. Place of Business. The Board may establish such branch offices or places of business as it shall determine to be in the best interests of the Midwest ISO consistent with the provisions of Article Three, Section IV, Paragraph F of this Agreement.

D. Start-up. The Owners may select and employ a person or an entity (or persons or entities) to perform such administrative and start-up functions as in the Owners' judgment may be necessary or desirable until the Board is elected. Such person or entity shall serve in such capacity until the election of the initial Board, and, during such service, shall exercise the authority and perform the duties of the Board and the President.

III. Board Of Directors.

A. In General.

1. Initial Board of Directors. There shall be a Board of Directors of the Midwest ISO (hereinafter sometimes referred to as "Board"), consisting of seven (7) persons plus the President. The initial Board shall be elected by the Members at their initial meeting as specified in Article Two, Section V, Paragraph B of this Agreement from a slate of candidates presented to them by an independent executive search firm chosen by a majority vote of the signatories to this Agreement, with each signatory having one vote. Such firm shall select such candidates consistent with the qualification requirements set forth in Subparagraph 2 of this Paragraph A. The slate shall include at least two (2) candidates with the appropriate type of qualifications for each Board position. Each Member shall be entitled to cast a single vote for each of the seven (7) positions on the Board from among the candidates for each position. The candidates with the most votes shall fill the Director positions for which they were nominated. In the event of a tie among the candidates for a Board position, one (1) of the candidates shall be selected by a drawing. Two (2) Directors shall hold office for one (1) year; two (2) Directors shall hold office for two (2) years; and the final three (3) Directors shall hold office for three (3) years; and, in each foregoing case, until their respective successors are duly elected and qualified, or until their earlier resignation or removal. At the first meeting of the initial Board, the Directors shall determine each of their respective terms hereunder by a drawing.

2. Qualifications. A Director shall not be, and shall not have been at any time

Article Two

within two (2) years prior to or subsequent to election to the Board, a director, officer, or employee of a Member, User, or an affiliate of a Member or User. At all times while serving on the Board, and for two (2) years thereafter, a Director shall have no material business relationship or other affiliation with any Member or User or an affiliate of a Member or User. A Director's participation in a pension plan of a Member or User or an affiliate thereof shall not be deemed to be a material business relationship as long as such pension plan is a defined benefit pension plan that does not involve ownership of the securities of the company sponsoring such plan. Of the seven (7) Directors, four (4) shall have expertise and experience in corporate leadership at the senior management or board of directors level, or in the professional disciplines of finance, accounting, engineering, or utility laws and regulation. Of the other three (3) Directors, one (1) shall have expertise and experience in the operation of electric transmission systems, one (1) shall have expertise and experience in the planning of electric transmission systems, and one (1) shall have expertise and experience in commercial markets and trading and associated risk management.

3. Succeeding Boards of Directors. After the election of the initial Board as provided above, succeeding Directors shall be elected to terms of three (3) years, except for any Director elected to fill a vacancy in the remainder of the term. Before the term of a Director expires, the Board shall select an executive search firm to provide at least two (2) candidates for each open Director position. Each Director shall serve until his

Article Two

successor shall have been duly elected and qualified, or until his earlier resignation or removal. The two (2) candidates for a specific Director position shall have the same type of qualifications as the Director being replaced, as set forth in Subparagraph 2 of this Paragraph A. At a meeting of the Members, each Member shall be entitled to cast a single vote for each open Director position from among the candidates provided for such position. The candidates with the most votes shall fill the respective Director positions for which they were nominated. In the event of a tie among candidates for a specific Director position, one (1) of the candidates shall be selected by a drawing among the tied candidates. Vacancies on the Board caused by a Director leaving office before the expiration of his term shall be filled by vote of the Board, which shall choose a candidate having the same type of qualifications as his predecessor from a list prepared by an executive search firm chosen by the Board. A Director selected to fill such a vacancy shall serve out the term of his predecessor.

4. Chairman of the Board. The Board shall select from among its members a Chairman of the Board. The Chairman shall serve in such capacity at the pleasure of the Board until the first meeting of the Board following the next succeeding annual meeting of the Members, or until his successor shall have been elected and have qualified. The Chairman of the Board shall, unless otherwise determined by the Board, preside over all meetings of the Board and Members, and shall sign, with the Secretary, certificates of membership, the issuance of which shall have been authorized by the

Article Two

Board. The Chairman shall perform all duties incident to the office of Chairman of the Board and such other duties as from time to time may be assigned to him by the Board.

5. Vice Chairman. The Board shall select from among its members a Vice Chairman of the Board. The Vice Chairman shall serve in such capacity at the pleasure of the Board until its first meeting following the next succeeding annual meeting of the Members, or until his successor shall have been elected and have qualified. In the absence of the Chairman of the Board, or in the event of his inability or refusal to act, the Vice Chairman shall perform the duties of the Chairman of the Board, and, when so acting, shall have all the powers of, and be subject to all the restrictions upon, the Chairman of the Board. The Vice Chairman shall also perform such other duties as from time to time may be assigned to him by the Board.

6. Resignation of Directors. Any Director may resign his office by submitting a signed notice of resignation, delivered or mailed to the principal office of the Midwest ISO. Such notice of resignation shall indicate the effective date of the resignation. If it does not indicate an effective date, the resignation shall take effect upon receipt of the notice at the principal office of the Midwest ISO.

7. Removal of Directors.

a. Removal by Members. The Members may remove a Director by a vote of a majority of the Members. Removal proceedings may only be initiated by a petition signed by not less than twenty percent (20%) of all Members. The petition shall

Article Two

state the specific grounds for removal. A copy of the petition shall be provided to the FERC and to each appropriate state regulatory authority. A Director sought to be removed shall be given fifteen (15) days to respond in writing to any charges set forth in the petition. The petition shall specify either that the removal vote shall be taken at the next regular meeting of the Members or at a special meeting of the Members at a designated date, place, and time.

B. Duties and Powers.

1. General. The management of all the property, business, and affairs of the Midwest ISO shall be vested in the Board. The Board may exercise all of the powers of the non-stock corporation and do all lawful acts and things (including the adoption of such rules and regulations for the conduct of its meetings, the exercise of its powers, and the management of the Midwest ISO) as it may deem proper and consistent with applicable law, this Agreement, the Transmission Tariff, the articles of incorporation, and the Bylaws of the Midwest ISO, provided that authority for such actions is not reserved to the Members or Owners. Except as provided in Article Two, Section IX, Paragraphs B and C of this Agreement, the enumeration of specific duties and powers in this Agreement shall not be construed in any way as a limitation on the general powers intended to be conferred on the Board.

2. Bylaws and regulations. The Board shall have the obligation to adopt such bylaws, regulations, policies, and practices as are not inconsistent with this Agreement and the Transmission Tariff that it deems necessary or desirable for the conduct of the business of the Midwest ISO and for the governance of itself, the President, and all agents, employees, and representatives of the Midwest ISO, without undue discrimination.

3. Board oversight. The Board shall have responsibility to oversee the President's performance of the obligations of the Midwest ISO specified in Article Three of

Article Two

this Agreement. The performance of such obligations shall be carried out and executed by the President with oversight as appropriate by the Board. The Board shall establish general policies to be followed by the President and employees of the Midwest ISO in the conduct of their duties.

4. Standards of Conduct. The Directors shall comply with the Standards of Conduct set forth in Appendix A to this Agreement.

5. Collections and payments. The Board shall have the obligation to assure that the President accounts for all transactions on the Transmission System and other activities of the Midwest ISO; submits bills for such transactions; pays the expenses of operation of the Midwest ISO; collects monies for transmission service from customers solely as agent for Owners or their designee(s) in accordance with the Transmission Tariff; and distributes monies to the Owners or their designee(s) in accordance with this Agreement, any associated agreements referred to in this Agreement, and the Transmission Tariff.

6. Employ staff. The Board shall have the power to employ staff, auditors, counsel, and other personnel as necessary to carry out the business of the Midwest ISO and may delegate to the President all or part of such authority to employ such staff, auditors, counsel, and other personnel.

7. Board Committees. The Board may appoint such internal committees of the Board (hereinafter "Board Committees") as are necessary and

Article Two

appropriate for the conduct of the business of the Midwest ISO, provided that final responsibility for any action recommended by any such committee remains with the Board.

C. Meetings of the Board.

1. Meetings. Regular meetings of the Board shall be held at least quarterly, and other meetings shall be held from time to time on the call of the President, Chairman, or a majority of the Board. A Director may participate in a meeting personally or by electronic means. Written notice of the date, location, and time of each meeting of the Board must be provided by first-class mail or by telefacsimile to each Director no later than seven (7) calendar days prior to the date of the meeting. Participation in a meeting by a Director is a waiver of any objection that the Director may make to any failure to give adequate notice under this provision. Any action required or permitted to be taken at any meeting of the Board, or of any Board Committee, may be taken without a meeting if all Directors or Board Committee members, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or Board Committee. Consistent with this Agreement, the Board shall have all procedural authority provided and options available under Title 8 of the Delaware Corporation Law, section 141.

2. Voting. Five (5) Directors shall constitute a quorum of the Board. Except as provided in Article Two, Section VIII, Paragraph C, Subparagraph 5 of this

Article Two

Agreement, the affirmative vote of a majority of the Directors present at a meeting is required to constitute any act or decision rendered by the Board.

3. Accounting. At each quarterly meeting of the Board, or such other time as the Board directs, the Board shall require the President to submit for Board approval a full statement of the conditions of the Midwest ISO, and all business transacted by it, and, when the statement is approved, shall cause a copy of it to be sent to each Member.

4. Minutes and reports. The Board shall cause to be kept by the Secretary, elected by it, a record of all meetings of the Board, Members, and Board Committees. Insofar as non-Members of the Midwest ISO are concerned, these records shall be conclusive for the Board of the facts and activities stated and recorded therein.

D. Compensation of Directors; Reimbursement of Expenses

1. Director compensation. Directors shall receive from the Midwest ISO such compensation, regular or special, as is set pursuant to this provision. The independent executive search firm chosen to select a slate of candidates for election for Director positions shall set Director compensation following such election, subject to approval of the Members. If two-thirds (2/3) or more of the Members vote to reject the search firm's recommended compensation, then the recommended compensation shall be rejected. In establishing the compensation for the initial Board, if there are not yet Members, then a vote of two-thirds (2/3) or more of the signatories to this Agreement shall

Article Two

be required to reject the search firm's recommended compensation. If the recommended compensation is rejected, then the search firm shall be requested to submit another recommendation or another search firm may be hired for such purpose.

2. Expenses. Directors, and their successors and assigns, shall have the right to reimbursement by the Midwest ISO for all of their actual expenses reasonably incurred or accrued in the performance of their duties as Directors of the Midwest ISO.

IV. Officers Of The Midwest ISO.

A. Titles. The Officers of the Midwest ISO shall be the President, one or more Vice Presidents (in the discretion of the Board), and a Secretary.

B. Election and Term of Office. The Officers of the Midwest ISO shall be elected from time to time by the Board. Each Officer shall hold office at the pleasure of the Board.

C. Removal of Officers by Directors. Any Officer may be removed by the Board whenever, in the Board's judgment, the best interests of the Midwest ISO will be served thereby.

D. President. The President shall serve on the Board of the Midwest ISO. The President may vote on any matter presented at a Board meeting except when the President's vote would create a tied Board vote. In that circumstance, the President shall be barred from voting. The President also may not vote on the selection of, or continued employment of, the President or on the President's compensation. The President shall be

Article Two

included in the determination of a quorum of the Board for any meeting of the Board and in the determination of a majority vote of the Board for any purpose. The duties of the President are as follows:

1. Right of President to manage. The right of the President to exercise functional control over the operation of the Transmission System, insofar as is necessary to carry out the rights, duties, and obligations of the Midwest ISO as set forth in this Agreement, shall be absolute, unconditional, and free from the control and management of the Owners, who shall have only the rights specifically set forth in this Agreement. The President shall have the authority to act for the Midwest ISO before any and all applicable federal or state regulatory authorities to carry out the business of the Midwest ISO.

2. General powers. The President shall possess and exercise any and all such additional powers as are reasonably implied from the powers contained in this Agreement such as may be necessary or convenient in the conduct of any business or enterprise of the Midwest ISO. The President may (i) do and perform everything that (a) he deems necessary, suitable, or proper for the accomplishment of any of the purposes, or the attainment of any one or more of the objectives, enumerated in this Agreement, or (b) that shall at any time appear conducive to, or expedient for, the protection or benefit of the Midwest ISO, and (ii) do and perform all other acts or things that are deemed necessary or incidental to the purposes set forth in this Agreement.

Article Two

3. Acquire property. The President shall have power to purchase, or otherwise acquire through leases, such property, except for transmission facilities which shall be governed by Appendix B to this Agreement, as necessary to carry out the obligations of the Midwest ISO as specified in Article Three of this Agreement.

4. Prosecute claims. The President shall have full and exclusive power and authority to demand, sue for, claim, and receive any and all revenues and monies due the Midwest ISO.

5. Borrow. The President shall have the power to borrow money up to the level authorized by the Board for the purposes of the Midwest ISO and to give the obligations of the Midwest ISO to secure such indebtedness.

6. Contracts. The President shall have the authority and power to make all such contracts as he may deem expedient and proper in conducting the business of the Midwest ISO, except as may be limited by the Board.

7. Taxes and assessments. The President shall have the power (i) to pay all taxes or assessments of whatever kind or nature imposed upon or against the Midwest ISO in connection with the Midwest ISO property, or upon or against the Midwest ISO property, or any part of such property; (ii) to do all acts and things as may be required or permitted by any present or future law for the purpose of making the activities of the Midwest ISO exempt from taxation; and, (iii) for any of the above-stated purposes, to do all such other acts and things as may be deemed by him necessary or desirable.

Article Two

8. Depository. In accordance with policies set by the Board, the President shall have the power to select a depository, and to deposit any monies or securities held by the Midwest ISO in connection with the performance of its obligations under this Agreement, with any one or more banks, trust companies, or other banking institutions deemed by the President to be responsible, such monies or securities to be subject to withdrawal on notice upon demand or in such manner as the President may determine, with no responsibility upon the President for any loss that may occur by reason of the failure of the person with whom the monies or securities had been deposited properly to account for the monies or securities so deposited.

E. Vice President. The Vice President or, if there be more than one, the Vice President designated by the Board, shall, in the absence or disability of the President, exercise the powers and perform the duties of the President. Each Vice President shall exercise such other powers and perform such other duties as shall be prescribed by the Board consistent with this Agreement. No Vice President shall be eligible to serve on the Board of the Midwest ISO except when performing the duties of the President as above provided.

F. Secretary. The Secretary shall be responsible for the following duties:

1. Keeping the minutes of the applicable meetings in one or more books provided for that purpose;

Article Two

2. Seeing that all notices are duly provided in accordance with this Agreement, policies of the Midwest ISO, and any and all other documents which provide for the governance of the Midwest ISO;

3. Maintaining custody of the records of the business of the Midwest ISO and the seal of the Midwest ISO, and affixing such seal to all certificates of membership prior to the issuance thereof and to all documents, the execution of which, on behalf of the Midwest ISO, under its seal, is duly authorized in accordance with the provisions of this Agreement;

4. Keeping a register of the names and post office addresses of all Members and Directors;

5. Signing with the Chairman of the Board certificates of membership, the issuance of which shall have been authorized by the Board;

6. Keeping on file at all times at the principal office of the Midwest ISO a complete copy of this Agreement, and all amendments thereto, together with the corporate Bylaws and any policies concerning the governance of the Midwest ISO, and, at the expense of the Midwest ISO, forwarding or otherwise making available copies of such information to each of the Members and to the public to the extent required by law; and generally performing all duties instant to the office of Secretary and such other duties that, from time to time, may be assigned to the Secretary by the Board.

Article Two

G. Standards of Conduct. The Officers, agents, and employees of the Midwest ISO shall comply with the Standards of Conduct set forth in Appendix A to this Agreement.

H. Bonds of Officers. Any Officer, employee, or agent of the Midwest ISO charged with the responsibility for the custody of any of its funds or property may be required to give bond in such sums, and with such sureties, as the Board shall determine. The Board, in its discretion, may also require any other Officer, agent, or employee of the Midwest ISO to give bond in such amount, with such surety, as it shall determine. All premiums of the aforesaid bonds shall be paid by the Midwest ISO.

I. Compensation. Compensation of the Officers, agents, and employees of the Midwest ISO shall be established by the Board or pursuant to the policies approved by the Board.

Article Two

V. Members.

A. General Provisions.

1. Application for membership. New Members may join the Midwest ISO upon submittal of an application in a form approved by the President (or the person designated pursuant to Article Two, Section II, Paragraph D of this Agreement), and payment of the fees set forth in Article Six of this Agreement. Action upon any application for membership shall be taken at the first meeting of the Board pursuant to Article Two, Section III, Paragraph C of this Agreement following submission of the application, except as otherwise provided in Article Two, Section II, Paragraph D of this Agreement.

2. Owner status. A new Member may join as an Owner, provided that it (i) owns, operates, or controls facilities used for the transmission of electricity in interstate commerce (as determined by the Midwest ISO by applying the seven-factor (7-factor) test set forth in FERC Order No. 888, 61 Fed. Reg. 21,540, 21,620 (1996), or any successor test adopted by the FERC or the state regulatory authority) that are physically interconnected with the facilities of an existing Owner; and (ii) agrees to sign this Agreement, to be bound by all of its terms, and to make any and all payments or contributions required by this Agreement. Upon fulfillment of these conditions, and upon completion of any physical integration of the new Owner's facilities with the Transmission System in a fashion consistent with the President's direction, the Board shall allow the new Member to become a signatory to this Agreement. In general, an Owner must own,

Article Two

operate, or control interstate transmission facilities as detailed above; however, on a case-by-case basis, the Board may waive the requirement that such facilities be physically interconnected if allowing the Member also to become an Owner will result in significant net benefits to the Midwest ISO and its Members.

3. Subject to Agreement. The rights of Members in the Midwest ISO shall be subject to all of the terms and conditions of this Agreement.

4. Manage or control by Members. No Member shall have any rights to manage or control the property, affairs, or business of the Midwest ISO, or any power to control the Directors in these respects.

5. Partition rights. No Member shall have any right to a partition of the property of the Midwest ISO during the continuance of the Midwest ISO; any partition shall be subject to all laws applicable to Delaware non-stock corporations and, in the event the Midwest ISO is exempt from taxation under any law, in accordance with all laws applicable to such exemption.

Article Two

B. Members' Meetings: Elections.

1. Meeting times. The Members shall hold their initial meeting at the principal office of the Midwest ISO, or other location designated by the Board, or by the person or entity selected pursuant to Article Two, Section II, Paragraph D of this Agreement, on the date designated by the Board or such person or entity, and shall hold meetings at such location on the third Monday of the same month each year thereafter, or such other day of said month as may be designated by the Board, for the purpose of electing Directors and of exercising and discharging any other powers or duties vested in them by this Agreement. Members shall hold their initial meeting on July 1, 1998, or as soon thereafter as is reasonably practical; provided, however, that the signatories to this Agreement, by majority vote (with each signatory having one vote), may extend this date if there exists significant uncertainty as to whether this Agreement will obtain necessary regulatory and tax approvals in a form satisfactory to the signatories by July 1, 1998.

2. Special meetings. After the Members' initial meeting, the Board or any twenty-five percent (25%) of the Members may call a special meeting of the Members at any time.

3. Notification. The Secretary shall provide notice to appropriate state regulatory authorities, the FERC, the members of the Board Advisory Committee (established pursuant to Section VI of this Article Two), and the public by posting on the Midwest ISO's Internet World-Wide Web Site or equivalent form of electronic posting at

Article Two

least seven (7) days prior to the meeting, of the time and place of all meetings of Members, whether regular or special.

4. Notification to Members. Notice mailed or sent by telefacsimile no later than seven (7) days prior to the date of the meeting, directed to the Member at the address as shown on the books of the Midwest ISO, shall be deemed sufficient for the provisions of this paragraph and for all other purposes, unless written notice of change of such address has been previously given to the Midwest ISO. In the case of special meetings, the Secretary shall also give notice to all Members of the general purpose of the meeting and the nature of the business to be considered at such meeting. Such a special meeting shall be limited to the business thus specified in the call, unless at least twenty-five percent (25%) of the Members consent in writing to the consideration of other matters. The Members of record eligible to participate in any meeting shall be determined as of the date notice of the meeting is provided to the Members.

5. Voting. At all meetings of Members, the Chairman, or such other person as may be designated by the Board, shall preside. Each Member shall be entitled to one vote, and Members may vote by proxy. Twenty-five percent (25%) of the Members, or their proxies, shall constitute a quorum for the purpose of any such meeting. The Board shall review from time to time the quorum requirements. Except where it is otherwise provided in this Agreement, a vote of a majority of the Members represented and voting at the meeting shall control.

Article Two

C. **Limited Liability.** All persons dealing with, or having any claim against, any Director, Officer, agent, or employee of the Midwest ISO acting on behalf of the Midwest ISO shall look only to the Midwest ISO for the payment of any debt, claim, damage, judgment, or decree of the Midwest ISO, or of any money or thing that may become due or payable in any way by the Midwest ISO, whether founded on contract or tort, and the Members shall not be personally or individually liable for any such debt, claim, damage, judgment, or decree.

Article Two

VI. External Committees.

A. Advisory Committee.

1. At all times there shall exist an Advisory Committee to the Board consisting of a total of twenty-three representatives from the following stakeholder groups chosen as follows: (i) three (3) representatives of Owners, with one (1) seat assigned to an Owner who was a member of the Mid-Continent Area Power Pool ("MAPP") as of March 1, 2000; (ii) three (3) representatives of municipal and cooperative electric utilities and transmission-dependent utilities, with one (1) seat assigned to a Member of this group who was a member of MAPP as of March 1, 2000; (iii) three (3) representatives of independent power producers (hereinafter "IPPs") and exempt wholesale generators (hereinafter "EWGs"), with one (1) seat assigned to a Member of this group who was a member of MAPP as of March 1, 2000, or who is actively involved in the MAPP region (as it existed on March 1, 2000); (iv) three (3) representatives of power marketers and brokers, with one (1) seat assigned to a Member of this group who was a member of MAPP as of March 1, 2000, or who is actively involved in the MAPP region (as it existed on March 1, 2000); (v) three (3) representatives of eligible end-use customers, with one (1) seat assigned to a Member of this group who was a member of MAPP as of March 1, 2000, or who is actively involved in the MAPP region (as it existed on March 1, 2000); (vi) three (3) representatives of state regulatory authorities, with one (1) seat assigned to a Member of this group who was a member of MAPP as of March 1, 2000, or who is actively involved in

Article Two

the MAPP region (as it existed on March 1, 2000); (vii) two (2) representatives of public consumer groups, with one (1) seat assigned to a Member of this group who was a member of MAPP as of March 1, 2000, or who is actively involved in the MAPP region (as it existed on March 1, 2000); (viii) two representatives of environmental and other stakeholder groups, with one (1) seat assigned to a Member of this group who was a member of MAPP as of March 1, 2000, or who is actively involved in the MAPP region (as it existed on March 1, 2000); and (ix) one (1) representative of Members who, being legally unable to transfer operational control to the Midwest ISO, have entered into coordination or agency agreements with the Midwest ISO ("Coordination Members"). The Board may revise or expand the stakeholder groups as circumstances and industry structures change. The Board shall be responsible for facilitating meetings of the Advisory Committee, which shall be held at least quarterly. At such quarterly meetings, the President and at least two (2) other members of the Board shall meet with the Advisory Committee. Upon request of the Advisory Committee, Board members and the President shall use their best efforts to attend other Advisory Committee meetings. The Advisory Committee shall be a forum for its members to be apprised of the Midwest ISO's activities and to provide information and advice to the Board on policy matters of concern to the Advisory Committee, or its constituent stakeholder groups, but neither the Advisory Committee nor any of its constituent groups shall exercise control over the Board or the Midwest ISO. Nothing in this Agreement shall prohibit a corporate or other entity from participating in more than one

Article Two

stakeholder group provided it meets the approved eligibility criteria. The reports of the Advisory Committee and any minority reports shall be presented by the President to the Board. The Board shall determine how and when it shall consider and respond to such reports. The President shall inform the Advisory Committee of any Board determination(s) with respect to such report.

2. Members of the Advisory Committee shall be selected in the following manner:

a. The Owners' representatives on the Advisory Committee shall be selected in accordance with Article Two, Section VI, Paragraph B of this Agreement.

b. The representatives of municipal and cooperative electric utilities and transmission-dependent utilities, IPPs and EWGs, power marketers and brokers, eligible end-use customers, and Coordination Members on the Advisory Committee shall be chosen by the Members belonging to such groups. Such Member groups shall propose to the Board their own methods of eligibility and voting. Approval by the Board of such procedures shall not be unreasonably withheld.

c. The representatives of state regulatory authorities on the Advisory Committee shall be chosen by the state public service commissions which regulate the retail electric or distribution rates of the Owners who are signatories to this Agreement.

Article Two

d. The representatives of public consumer groups and environmental and other stakeholder groups on the Advisory Committee shall be chosen by recognized consumer, environmental, and other stakeholder organizations having an interest in the activities of the Midwest ISO. The Board shall certify the organizations eligible to participate in the selection of such representatives to the Advisory Committee. Such certification shall not unreasonably be withheld. The groups so certified shall propose to the Board their own methods of eligibility and voting. Approval of such procedures shall not unreasonably be withheld.

e. Meetings of the constituent stakeholder groups represented on the Advisory Committee need not be open to the public.

B. Owners' Committee. An Owners' Committee shall exist throughout the period of this Agreement. The Owners' Committee shall consist of one (1) person representing each of the Owners who are signatories to this Agreement. The Owners' Committee shall meet at its discretion to exercise the authority granted to the Owners as a group under this Agreement, including voting upon the matters set forth in Article Two, Section III, Paragraph A, Subparagraph (7b) of this Agreement, and Article Two, Section IX, Paragraph C of this Agreement. The Owners' Committee shall select three (3) representatives to serve on the Advisory Committee established pursuant to Article Two, Section VI, Paragraph A of this Agreement.

Article Two

VII. Open Meetings.

A. In General. Except as provided herein, all meetings of the Board, all meetings of committees (also sometimes referred to herein as "internal committees") and working groups of the Board (hereinafter "Board Committees and working groups"), all meetings of the Advisory Committee and all Members' meetings convened under Article Two, Section V, Paragraph B of this Agreement, shall be open to the public. Timely notice of such meetings and copies of all materials to be addressed at such meetings shall be provided to the members of the Advisory Committee, appropriate state regulatory authorities, and the FERC and posted on the Midwest ISO's Internet World-Wide Web site or equivalent form of electronic posting. VIII. Due Diligence, Limited Liability, And Indemnification.

A. Due Diligence Duties. It shall be the duty of Directors, Officers, employees, agents, and other representatives of the Midwest ISO (i) to faithfully and diligently administer the Midwest ISO as would reasonable and prudent persons acting in their own behalf; (ii) to keep correct and accurate records of all business transacted; (iii) to exercise prudence and economy in the business of the Midwest ISO, including the minimization of tax liability if the Midwest ISO is not tax-exempt; (iv) to act in good faith, and only for the best interests of the Midwest ISO; (v) to annually render a full and correct account of the Midwest ISO business; and (vi) at the termination of the Midwest ISO, to render and to deliver all the properties and funds of the Midwest ISO in accordance with this Agreement and applicable law.

B. Limitations on Liability. No Director, Officer, agent, employee, or other representative of the Midwest ISO, and no corporation or other business organization that employs a Director of the Midwest ISO, or any Director, Officer, agent, or employee of such corporation or other business organization, shall be personally liable to the Midwest ISO, any Member, or any User for any act or omission on the part of any such Director, Officer, agent, employee, or other representative of the Midwest ISO, which was performed or omitted in good faith in his official capacity as a Director, Officer, agent, employee, or other representative of the Midwest ISO pursuant to the operation of this Agreement, or in any other capacity he may hold, at the request of the Midwest ISO, as its

Article Two

representative in any other organization. However, this release of liability shall not operate to release such a Director, Officer, agent, employee, or other representative of the Midwest ISO from any personal liability resulting from willful acts or omissions knowingly or intentionally committed or omitted by him in breach of this Agreement, for improper personal benefit, or in bad faith. Directors, Officers, agents, employees, or other representatives of the Midwest ISO also shall not be personally liable for any actions or omissions of others, including Owners, whose actions or omissions may relate to the Midwest ISO, or any property or property rights forming, or intended or believed to form, part of the Midwest ISO's property, or for any defect in the title to, or liens or encumbrances on, any such property or property rights.

C. **Indemnification.** It is the intent of the Midwest ISO to indemnify its Directors, Officers, agents, employees, or other representatives to the maximum extent allowed by law consistent with this Agreement. Each Director, Officer, agent, employee, or other representative of the Midwest ISO shall be indemnified by the Midwest ISO against all judgments, penalties, fines, settlements, and reasonable expenses, including legal fees, incurred by him as a result of, or in connection with, any threatened, pending or completed civil, criminal, administrative, or investigative proceedings to which he may be made a party by reason of his acting or having acted in his official capacity as a Director, Officer, agent, employee, or representative of the Midwest ISO, or in any other capacity which he

Article Two

may hold at the request of the Midwest ISO, as its representative in any other organization, subject to the following conditions:

1. Such Director, Officer, agent, employee, or other representative must have conducted himself in good faith and, in the case of criminal proceedings, he must have had no reasonable cause to believe that his conduct was unlawful. When acting in his official capacity, he must have reasonably believed that his conduct was in the best interests of the Midwest ISO, and, when acting in any other capacity, he must have reasonably believed that his conduct was at least not opposed to the best interests of the Midwest ISO.

2. If the proceeding was brought by or on behalf of the Midwest ISO, however, indemnification shall be made only with respect to reasonable expenses referenced above. No indemnification of any kind shall be made in any such proceeding in which the Director, Officer, agent, employee, or other representative shall have been adjudged liable to the Midwest ISO.

3. In no event, however, will indemnification be made with respect to any described proceeding which charges or alleges improper personal benefit to a Director, Officer, agent, employee, or other representative and where liability is imposed upon him on the basis of the receipt of such improper personal benefit.

4. In order for any Director, Officer, agent, employee, or other representative to receive indemnification under this provision, he shall vigorously assert

Article Two

and pursue any and all defenses to those claims, charges, or proceedings covered hereby which are reasonable and legally available and shall fully cooperate with the Midwest ISO or any attorneys involved in the defense of any such claim, charges, or proceedings on behalf of the Midwest ISO.

5. No indemnification shall be made in any specific instance until it has been determined by the Midwest ISO that indemnification is permissible in that specific case, under the standards set forth herein and that any expenses claimed or to be incurred are reasonable. These two (2) determinations shall be made by a majority vote of at least a quorum of the Board consisting solely of Directors who were not parties to the proceeding for which indemnification or reimbursement of expenses is claimed. If such a quorum cannot be obtained, a majority of at least a quorum of the full Board, including Directors who are parties to said proceeding, shall designate a special legal counsel who shall make said determinations on behalf of the Midwest ISO. In making any such determinations, the termination of any proceeding (except proceedings referred to in Article Two, Section VIII, Paragraph C, (2) of this Agreement) by judgment, order, settlement, conviction, or upon plea of *nolo contendere*, or its equivalent, shall not, in and of itself, be conclusive that the person did not meet the standards set forth herein.

6. Any reasonable expenses, as shall be determined above, that have been incurred by a Director, Officer, agent, employee, or other representative who has been made a party to a proceeding as defined herein, may be paid or reimbursed in

advance upon a majority vote of a quorum of the full Board, including those who may be a party to the same proceeding. However, such Director, Officer, agent, employee, or other representative shall have provided the Midwest ISO with (i) a written affirmation under oath that he, in good faith, believes that he has met the conditions for indemnification herein, and (ii) a written undertaking that he shall repay any amounts advanced, with interest accumulated at a reasonable rate, if it is ultimately determined that he has not met such conditions. In addition to the indemnification and reimbursement of expenses provided herein, the President shall, if reasonably practical, purchase insurance that would protect the Midwest ISO, its Directors, Officers, agents, employees, or other representatives against reasonably expected liabilities and expenses arising out of the performance of their duties for the Midwest ISO.

D. Reliance on Information Provided. In addition to and without limiting the provisions contained in Paragraph B of this Section VIII, Directors, Officers, agents, employees, or other representatives of the Midwest ISO shall be fully protected in, and shall incur no personal liability to the Midwest ISO or its Members for acting on any notice, request, consent, certificate, affidavit, statement, resolution, or other instrument, paper, or document believed in good faith by them to be genuine and to be signed and certified by the person stated in such instrument, paper, or document to be familiar with the facts set forth in such instrument, paper, or document. Directors, Officers, agents, employees, or other representatives may, however, in their sole discretion, require any such instrument,

Article Two

paper, or document to be sworn to, before their acceptance of such instrument, paper, or document, or before any duty shall devolve on them to act on such instrument, paper, or document. Directors, Officers, agents, employees, or other representatives may also reasonably rely upon information provided by professionals and consultants of the Midwest ISO within the area of their expertise, provided such reliance is undertaken in good faith.

E. **Annual Report.** The Board shall annually make a written report showing the financial results of the Midwest ISO's operations during the preceding fiscal year.. A copy of such report shall be furnished to each Member.

The provisions of this Paragraph B cannot be amended except by unanimous vote of the Owners who are signatories to this Agreement.

C. Amendments by Owners. The matters referred to in Subparagraphs 6 and 7 of this Paragraph C may be changed by action of the Owners, as set forth in such Subparagraphs, without approval by the Board, subject to the receipt of any necessary federal and state regulatory approvals. Thereafter, it shall be renewed for successive five-year (5-year) terms unless, no later than two years prior to the end of any term, a majority of the Owners vote not to renew this Agreement.

B. Transfer Date. The transfer of operational control of the Transmission System from the respective Owners to the Midwest ISO pursuant to this Agreement shall not take place until the Midwest ISO can demonstrate that it is functionally able and ready to take over the provision of transmission service under the Transmission Tariff from the Owners. To reach this end, the Midwest ISO shall move as quickly as is reasonably practical to take the actions necessary for the Midwest ISO to begin providing such transmission services. The President shall notify the Owners of the date (hereinafter "Transfer Date") when such transfer is proposed to take place. The President shall provide, no later than sixty (60) days prior to the proposed Transfer Date, a technical demonstration of the ability of the Midwest ISO to perform such functions. Following such technical demonstration, the Owners' Committee may, by majority vote, postpone the Transfer Date if the technical demonstration raises reasonable concerns as to whether the Midwest ISO is capable of taking over the provision of transmission service from the Owners.

Article Two

C. **Interim Operations.** Nothing in this Agreement shall preclude the Midwest ISO from providing transmission service before it possesses the capability to implement full operations and responsibilities as described in this Agreement, provided that the Midwest ISO shall begin such "interim operations" only if all of the Owners agree. Both the Owners and the Midwest ISO shall investigate such interim operations.

D. **Withdrawal Notification.** An Owner may withdraw from the Midwest ISO at any time, but only upon notice as provided in Article Five, Sections I and IV, and Article Seven of this Agreement.

Furthermore, in the event that the Midwest ISO is determined to be exempt from taxation by the Internal Revenue Service or any state governmental authorities, then such disposition shall be in accordance with all laws applicable to entities subject to the exemption granted.

Article Three

D. Performance of Regulatory Obligations. The Midwest ISO shall comply with existing transmission operation and planning obligations of an Owner, imposed by federal or state laws or regulatory authorities, which can no longer be performed solely by the Owner following transfer of functional control of its transmission facilities to the Midwest ISO, until such time as such obligations are changed or revised.

Article Three

A. Type of Service. The Midwest ISO shall offer transmission service over the entire Transmission System and over Non-transferred Transmission Facilities to all "Eligible Customers," as defined in the Transmission Tariff, including the Owners, on a non-discriminatory basis, pursuant to the Transmission Tariff and Agency Agreement attached hereto as Appendix G. The Midwest ISO shall administer the Transmission Tariff.

B. Pricing. In connection with its administration of the Transmission Tariff, the Midwest ISO may propose to the FERC such transmission pricing for transmission service as is necessary to fulfill its obligations under this Agreement and may propose to the FERC such changes in prices, pricing methods, terms, and conditions as are necessary to continue to fulfill such obligations; provided, however, that the pricing approach set forth in Appendix C to this Agreement shall be changed only in accordance with Article Two, Section IX, Paragraphs B and C of this Agreement.

The Midwest ISO shall obtain such services from providers, in a manner which minimizes cost, consistent with its reliability responsibilities and other obligations under this Agreement. In obtaining such ancillary services, the Midwest ISO shall afford no undue preference or disadvantage to any supplier, including the Owners or their affiliates.

Article Three

III. Responsibilities Of The Midwest ISO To The Owners.

A. Relationship. The Midwest ISO and its Directors, Officers, employees, and agents shall have a custodial trust relationship to the Owners in performing the obligations set forth in Paragraphs B, C, and D of this Section III.

B. Promise Not to Impair Value. In performing their obligations under this Agreement, the Midwest ISO, its Directors, Officers, employees, and agents shall use their individual and collective best efforts to avoid physical damage to the Transmission System or any property of the Owners affected by the Midwest ISO's activities.

C. Revenues. All revenues received by the Midwest ISO for transmission service shall be held, used, managed, and distributed in accordance with this Agreement and the Transmission Tariff.

D. Duty to Maximize Revenues. It shall be the duty of the Midwest ISO, its Directors, Officers, employees, and agents to maximize transmission service revenues associated with "Transmission Services," as defined in the Transmission Tariff, so as to most efficiently utilize the Transmission System as it exists at any given time consistent with Appendices B and E to this Agreement. The Board shall establish incentives for the Officers, employees, and agents of the Midwest ISO to meet this obligation.

B. Dispute Resolution. The Midwest ISO shall resolve disputes between and among the Midwest ISO and the Owners, individually or collectively, and Users other than the Owners, in accordance with the procedures set forth in Appendix D to this Agreement. This provision does not apply to disputes covered under the Transmission Tariff.

C. Inspection and Auditing Procedures. The Midwest ISO shall grant each Member, its employees or agents, external auditors, and federal and state regulatory authorities having jurisdiction over the Midwest ISO or an Owner, such access to the Midwest ISO's books and records as is necessary to verify compliance by the Midwest ISO with this Agreement and to audit and verify transactions under this Agreement. Such

Article Three

access shall be at reasonable times and under reasonable conditions. The Midwest ISO shall also comply with the reporting requirements of federal and state regulatory authorities having jurisdiction over the Midwest ISO with respect to the business aspects of its business operations, including, but not limited to, the State of Delaware. Contacts between Officers, employees, and agents of any Owner and those of the Midwest ISO pursuant to this Paragraph C shall be strictly limited to the purposes of this Paragraph C and shall comply with the Standards of Conduct set forth in Appendix A to this Agreement.

Article Three

The Midwest ISO shall develop "ethics" standards governing, among other things, post-employment restrictions and gifts. As to post-employment restrictions, the Midwest ISO shall prohibit Directors and key employees (as identified by the Board) from having any involvement for twelve (12) months after they leave the Midwest ISO on behalf of any parties other than the Midwest ISO with regard to any matters in which they were substantially involved when serving for, or employed by, the Midwest ISO.

H. **Incentives Regarding Location of Generation.** The Midwest ISO shall consider whether incentives are necessary to ensure that new generators are located in areas that better facilitate transmission and do not detrimentally affect Available Transmission Capability, as defined in the Transmission Tariff. If it determines that such incentives are necessary, the Midwest ISO shall develop and file with the FERC any such incentives. Any such filing must comply with the requirements of Article Two, Section IX of this Agreement, if applicable.

V. **Enforcement Authority.**

A. **Violations.** The Midwest ISO shall have the authority to impose penalties or other sanctions for any of the following actions by an Owner or User (subject to the Dispute Resolution procedures discussed below):

Article Three

2. Intentionally ignoring or disobeying any material directive from the Midwest ISO including, without limitation, operating orders or directives issued by the Midwest ISO;

3. Engaging in willful behavior which manipulates Available Transmission Capability to the detriment of other Users;

4. Willful violation of Midwest ISO operating standards; or

5. Willful violation of material provisions of this Agreement or the Transmission Tariff.

B. Penalties. Penalties or other sanctions for such violations may include one or more of the following:

1. Imposition of a penalty which shall be no more than \$10,000 per day, per violation.

2. Ability to withhold transmission revenues from an Owner until the violation ceases and any forfeiture is fully paid.

3. Termination of service to a User that consistently or habitually ignores or disobeys directives from the Midwest ISO, provided that the Midwest ISO complies with any applicable FERC requirements before such termination becomes effective.

C. Offset of Expenses. The Midwest ISO shall use revenues from any penalties under this Section V to offset Midwest ISO expenses.
